

At Legion Hall

## Blood Bank Here Wed., Sept. 15th

Mark your calendars, all you wonderful Blood Donors - September 15th - from noon til 6 p.m. - at the American Legion Hall! - and come and give a pint of your precious blood to help save the life of some fellow man or woman.

If you need transportation, call Dial-A-Ride - 348-5409 - and they will come and pick you up, take you to the Legion, and bring you back - FOR FREE! - if you come to donate a pint of blood!

We need over a hundred of you to come and give a pint! A hundred and eleven came to our July 21st Bank and a hundred and three came a year ago in September!

## Nine Injured in Two-Car Accident

Four Grayling youths and five Mio residents were injured Labor Day in a two-car accident at the intersection of M-72 East and Stephan Bridge Rd.

Injured from Grayling were Shawn Lindsay, 19, Renee DeVriendt, 15, Kelli Hoga, 16, & Darlene DeVriendt, 17, all in a car driven by Lindsay. Injured from Mio were Deborah Steinman, 34, Melissa Steinman, 14, Steven Hobbs, 27, Gregory Hobbs, 22, and Sandra Recollet, 14, all in a car driven by Deborah Steinman.

The vehicle driven by Lindsay was traveling north on Stephan Bridge Rd. through the intersection and the Steinman vehicle was traveling west on M-72 when the accident occurred.

The Grayling Fire Dept. Jaws of Life were used to free one of the drivers from their vehicle. Ambulance crews from Grayling, Higgins Lake, and Lewiston were used at the scene. The Crawford County Sheriff Dept. said several citizens helped out at the accident scene aiding the injured and controlling traffic. The sheriff dept. urged other citizens not involved to stay far away from future accident scenes to give emergency services room to operate. Onlookers created difficulties for emergency crews at the accident Labor Day.

## Girls Open BB Season This Week

The GHS girls Varsity and J.V. basketball teams open their season this Wednesday, Sept. 8, taking on Johannesburg at home at 6:30 p.m.

The girls, led by head coach Tom Mills, will play Roscommon next Tuesday, Sept. 14, also at home. Junior varsity games begin at 6:30 p.m. with varsity games following.

## Season Tickets Available

## Nationally Acclaimed Travelogue To Open Grayling Series Sept. 30

What is probably the nation's most widely acclaimed travelogue will open Grayling's 10th Annual Travel and Adventure Series on Thursday evening September 30, in the high school auditorium. This travelogue entitled, "America-Of Thee I Sing" has been created by Mr. Robert Brauer of Grand Rapids. To present this breath-taking spectacle of our nation, Mr. Brauer utilizes three giant ten foot square screens and six projectors. The travelogue is accompanied by the finest in stereo sound and music. "America-Of Thee I Sing" has been shown in all of the major cities of the United States as well as thousands of small communities and at every performance it has been heralded as the most moving documentary ever made on any nation.

Season tickets for Grayling's 10th annual travelogue series are right now available. Order blanks can be picked up at the Board of Education Office in Grayling or at Hanson Park. For more information, or to have an order blank mailed to you may call either 348-7041 or 348-9266. Price of this year's season pass is \$12.00 for adults and \$7.50 for students and senior citizens. Each season ticket is good for six admissions which may be used at the discretion of the owner. Individual admission at the door will be \$2.50 per person.

## Gala Evening Planned For Hanson Park September 16

Thursday evening, September 16 is a date that all Grayling residents should have circled on their calendar, for that is the first of many fun evenings planned for Hanson Park for the coming season. This first evening will feature "Terry Stoddard and the Arcade", free snacks and free suds. The party, which will get underway at 8:00 p.m. will be held in the lodge of the park. Admission to the gala event is just \$5.00 per person and tickets may be purchased in advance from any member of the Grayling Recreation Authority or at the park.

Other exciting evenings which are in the plans for Hanson Park for the coming season include a Millionaire's Night, a wine and cheese party, a suds and shucks night, and many more. Facilities at Hanson Park are also available for private parties and organization meetings. For more information call the park at 348-9266.

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 14-19 Sept. and 21 Sept. 82.

Firing will be performed in the following range areas:

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek. (11-12 Sept only)

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed to the public during the period 14-19 Sept and 21 Sept. 82 and all persons are warned to stay out of the areas identified.

## College Night at Kirtland

The Student Services Division at Kirtland Community College will be hosting their 3rd Annual College Night on Wednesday, September 29, 1982, from 7 to 9:30 p.m.

Juniors and seniors from area high schools and their parents will have a chance to speak with representatives from over 35 Michigan colleges and universities. Representatives from the various branches of the military will also be available. The 8 high schools participating in this event are: Fairview, Grayling (Crawford AuSable), Hale, Houghton Lake, Mio, Ogemaw Heights (West Branch), Roscommon and Whittemore-Prescott.

Students should contact their high school counselors for further details, or call Mr. Cary Vajda, Admissions Counselor at Kirtland Community College, at 517-275-5121, ext. 231.

**SENIOR LEADERSHIP**—Seniors Jim Hill, Bob Keene, and Brad Emerick, left to right, huddle with head coach Bill Klinger to go over the game plan for the season opener against Roscommon Friday. The three seniors, selected as tri-captains, are expected to lead the Vikings this year.

## Vikings Open Friday Against Roscommon

by Jon Thompson

The Grayling Vikings will abandon their ship this Friday and take to the air.

The GHS varsity football team opens its season at Roscommon Sept. 10 at 7:30 p.m. and head coach Bill Klinger says the Vikings will take to the air more this year.

"We have a fine group of receivers and two quarterbacks who throw fairly well," Klinger said.

With no break-away speed burners on the Grayling squad this year, Klinger said the offense will have to throw more to loosen up the defense.

Hard-running senior Jim Hill, who had a fine season last year picking up large chunks of yardage, will lead the backs this year. Hill, 5'10" and 169 lbs., is working out at both full back and halfback.

Senior Ryan Morford, 5'10" and 155, and junior Jim Stewart, 6' and 160, are competing for the quarterback position.

Working out at the tailback position are senior

Jeff Kea, 5'9" and 155, and senior Luke Petrosky, 5'9" and 140. Sophomore Barcie Cross, 5'11" and 175, and junior Jamie Joseph, 5'8" and 140, are vying for the fullback position.

At wide receiver will be Morford or junior Mike Hickey, 5'7" and 140, or senior Dave Martella, 5'9" and 150.

Senior Bob Keene, 5'11" and 165, junior Paul Hamlin, 5'10" and 140, and junior Paul Hamlin, 5'10" and 140, are vying for the fullback position.

## Kirtland Establishes Fund for Scholarships

Kirtland College has established a matching fund for scholarships to expand financial assistance opportunities for students as recommended by the College's Scholarship Committee.

The Scholarship Committee's recommendation was developed because of the Student Aid cuts to higher education. It is projected that these cuts may mean that large numbers of students may be unable to attend college at all.

## AuSable Sno-Bird Horseshoe Tourney

The AuSable Sno-Bird Club is having another fun horseshoe tournament on Sat., Sept. 11. Partners must register by 10:00 a.m. Sat. morning at the club house, at which time play will start.

There will be someone there from 9:00 a.m. on to register you. The charge is \$3.00 per person. 1st-2nd-3rd place money will be paid.

Hot dogs and refreshments will be at the club house. Come up and enjoy yourself, everyone welcome.

Monies from the college's scholarship fund have been specifically earmarked for the matching gift program. These funds are, however, limited and an open request is being made from corporations, associations, and individuals for contributions.

It is the intent of the college committee to solicit matching funds from companies who have matching gift programs. Typically, such programs provide for companies to match requests for funds. Usually the match is dollar for dollar, although some companies provide two or even more dollars for every dollar contributed.

Why involve companies and corporations in the support of the institution? Community colleges have continued to provide training and support, specialized education, and continuing education for corporations and the business community. They can expand the view of the students, broaden academic programs, and nourish the

## Production Underway At Weyerhaeuser Mill

The first sustained production at Weyerhaeuser's new "Structurwood" mill in Grayling occurred this week. Tony Moore, General Manager, credited the coordinated efforts and dedication of both mill personnel and all those who have provided project support for the successful start-up. "We have a new mill, new people and a new product," stated Moore. "This combination brings into play thousands of variables in both the technical systems and with the people involved. I'm proud of the team effort demonstrated by everyone involved in bringing this mill from theory to reality with so few problems," he said.

Developed by Weyerhaeuser, "Structurwood" oriented strand building panels are made of wood flakes and resin pressed into panels. Crosswise layers of strands give the panels the structural strength of plywood without the core voids, veneer defects, warping and

glue failures possible with plywood. Initial application will be primarily in flooring and sheathing. Panels will be available in sizes up to 8' x 24' and from 1/4" to 1 1/8" in thickness.

The process uses aspen that is locally available and which has historically been an underutilized species prior to use in building panels. Logs are purchased from local producers since Weyerhaeuser does not maintain its own timberlands in this area.

"Structurwood" will be marketed regionally at first," said Tom Newman, Sales Manager. Newman explained that the oriented strand board achieves the state-of-the-art in structural building panels and provides the builder or homeowner with the best panel at no extra cost. It will carry the American Plywood Association approval as Rated Sheathing and the tongue and groove "Structurwood"

flooring material will receive the Sturd-I-Floor stamp.

"The Grayling 'Structurwood' mill is an important commitment for Weyerhaeuser," said Moore. "It is also making a significant contribution to the area economy. The ripple effect will eventually touch almost every aspect of life in the surrounding area. We feel the mill will be a positive influence on the area and look forward to a long and productive relationship."

Weyerhaeuser Company, founded in Tacoma, Washington, in 1900 but with roots in the Midwest, is a Fortune 500 company with annual sales of approximately \$4.5 billion. Besides a variety of building materials, the company manufactures pulp, paper and packaging, and ranks as a major real estate developer and financier. The company has five other operations and offices in Michigan.

## Power Outage Strikes Grayling for 5 Hours

by Jon Thompson

Consumers Power customers in Grayling lost electrical power for more than five hours Thursday after a truck knocked down a main line on Four Mile Road.

A wood truck driver from Alpena, after unloading at AJD Wood Products, apparently left the boom up on the truck and the boom caught a 46,000-volt line across Four Mile Road. The big line stretched and snapped five cross-arms off power line poles before finally breaking.

When the line broke, power went off at five substations including the substation at Grayling. Close to

7,000 customers, including the city of Grayling and the new Weyerhaeuser plant, lost power at 8:34 a.m. The southern edge of Grayling, along the I-75 Business Loop, had power restored one hour and 20 minutes later because it is fed off the Gerrish substation. Power was restored at the Grayling substation five hours and 21 minutes after the accident. Consumers Power crews, who start work at 7 a.m., were already out on jobs far away from the accident scene and had to return for equipment to put up five poles at Four Mile Road.

It was the first major power failure in the area for Consumers Power in five

years. No serious incidents were reported by the Crawford Co. Sheriff Dept. or Grayling City Police during the power outage.

Grayling Mercy Hospital's auxiliary generator supplied power for the hospital and Col. Gwilt, Commander of Camp Grayling, sent a crew with a stand-by generator in case of difficulties during the long power failure. The sheriff dept. also had an auxiliary generator to supply power to the radio room and jail. Individuals with life support systems in the county were checked by law enforcement officials and no problems were reported.

## Generators Take Over With Outage at Mercy

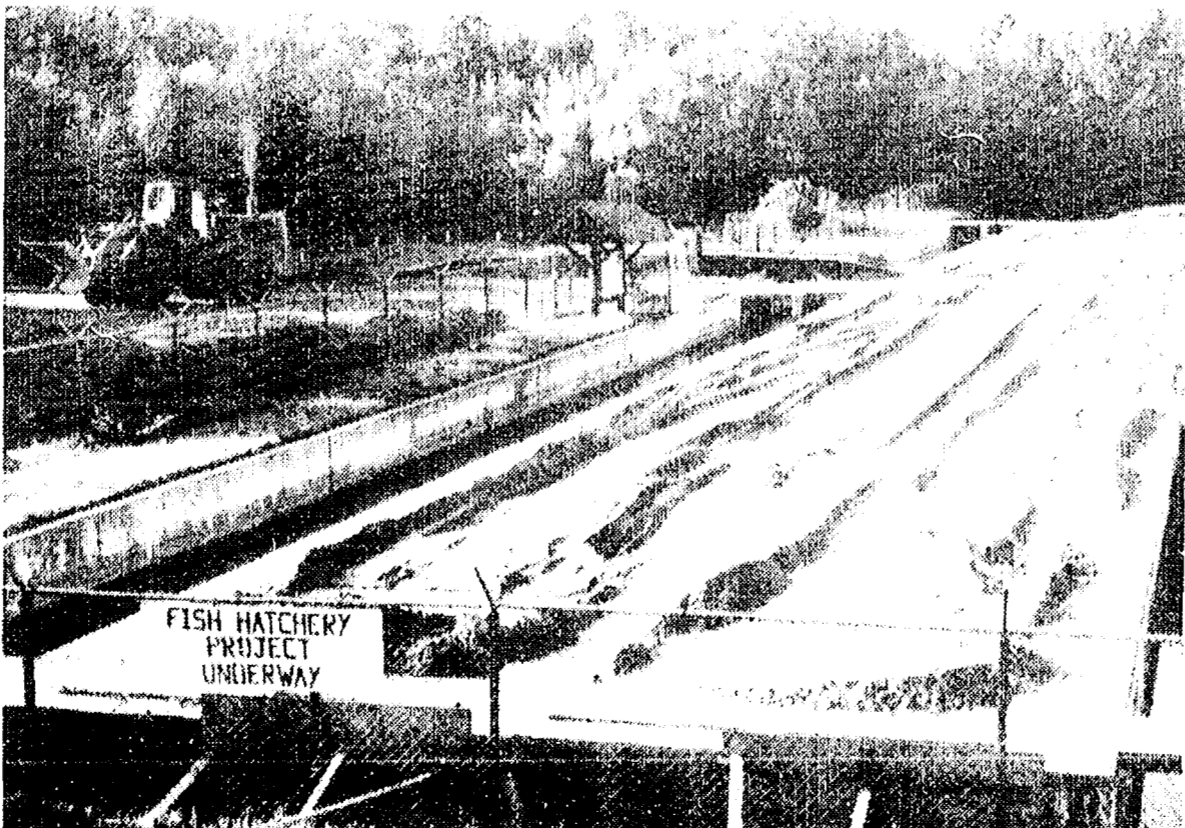

Once again, pre-planning paid off Thursday, September 2, as a 5 1/2 hour power failure in Crawford and portions of Roscommon counties caused only minimal disruption in Mercy Hospital activity. Power was lost throughout the area at 8:34 a.m. and was not restored until after 2 o'clock in the afternoon. When the power failed, Mercy's two emergency generators automatically activated, causing no interruption in electrical service. Power was shut off

in non-critical areas of the building according to a pre-set procedure. Non-patient areas such as Fiscal Services, Billing, Housekeeping and Laundry had normal electric service interrupted. Other areas, such as the Laboratory, X-Ray and Respiratory Care were on reduced power and provided only emergency service. Areas such as Surgery, Obstetrics, Critical Care and Emergency Room were at full capability.

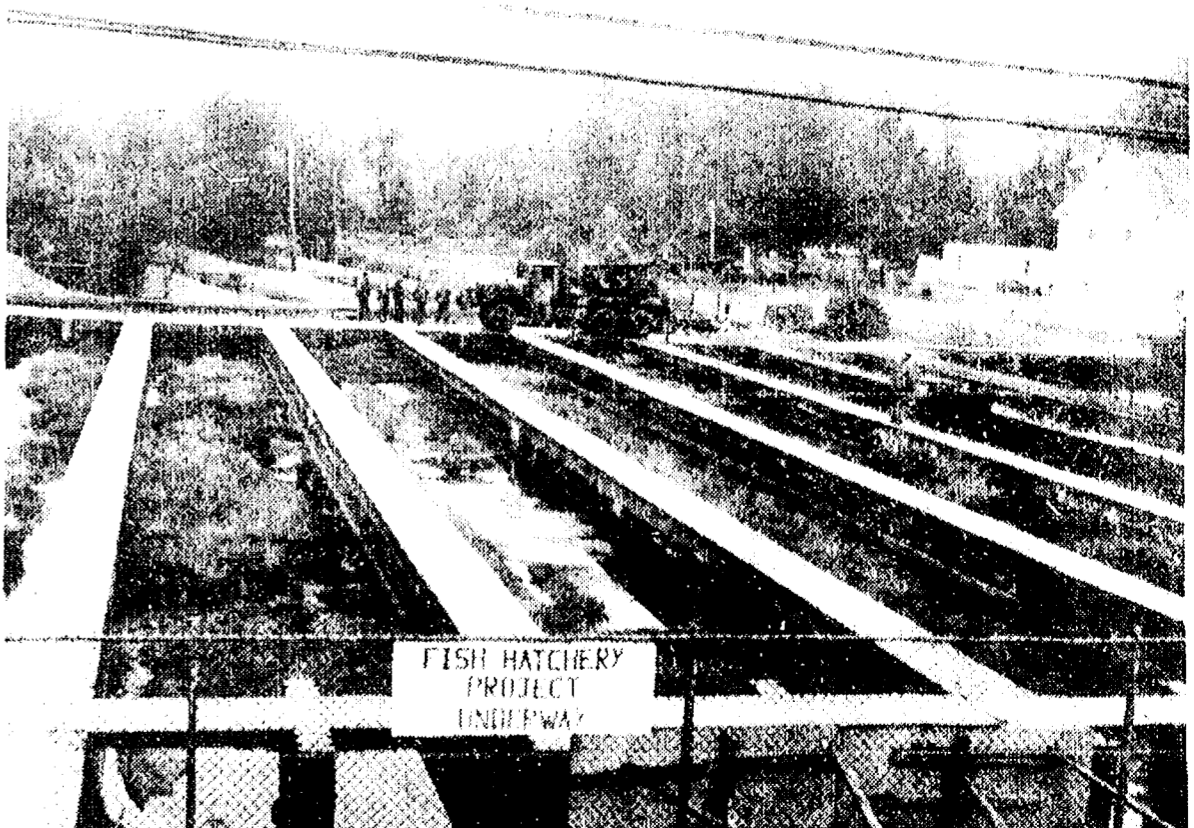

In-patient care was unaffected, however some out-patient procedures such as Physical Therapy, Lab work and Radiology were cancelled. Normal patient care was not interrupted and even noon meals were served hot and on time.

Maintenance Dept. officials said the generators could have provided power for several more hours, and in a serious emergency could operate for several days. A generator from the Michigan National Guard was available

See Hospital on Page 16

**NATIONAL GUARD PITCHES IN**—National Guardsmen from the 1438th Engineering Detachment and 1071st Maintenance Company are lending a hand to the Grayling Fish Hatchery renovation project. Last week the guards lowered a small tractor with a bucket into the raceways

to clean out deposits (right photo). The mud was dumped into adjoining raceways that will be filled in (left photo). The Grayling Fish Hatchery Preservation Committee plan to open the facility next spring before Trout Season.

## From Our Corner ...

We have got the Labor Day weekend ekks...trying to get this week's corner started in the middle day of the three day vacation and we're not getting along very fast...Labor Day always signals the end of summer and the start of fall that leads to winter which every year we detest it that much more...they told us when we were young that as you grow older the days, weeks, months and years seem to go faster each year, we were a non-believer then, not now...I don't even know where the summer of '82 went, we didn't accomplish anything it seems...now we face the autumn of the year with too many things to do before the snow arrives...

There have been many weeks that we have wondered why we even started our corner, and this one has got them all beat...with the Labor Day weekend, everything seems to just become calm...the hustle bustle has gone and the problem is we need the hustle, bustle for economic reasons...no one can really say that we are going to have this kind or that kind of winter that is ahead of us...all we can hope for is a much milder one than last year...we don't need those weekend storms that hit our region...and stopped people from coming north...

Doris was in town last week...

We were just listening to that other media and they mentioned there would be around 25,000 people walking Big Mac along with Governor Milliken as he makes his final walk as Governor of Michigan...now that is quite a number to walk...as far as we are concerned, we'd rather sit and watch a football game with that number...certainly it's not so tiresome...and besides I don't think the ol' fella could take it...

It's Labor Day afternoon and we're back with ol' Smitty...and still having a job filling this turkey this week...we've pushed ourself right down to dead...ne Tuesday, and we had three days to get this column out, but I guess we have been dreaming about the summer that went so fast with hardly anything accomplished...

To salvage 1982 we certainly need to have nice months in September and October which are normally nice with the changing of the leaves and the smell of autumn, and of course the opening of the football season that will last into next year...there is some solace if you are a football fan, otherwise I don't know...

Viking football gets off to a start this Friday when the Vikes travel to Roscommon to take on the Bucks in a non-conference game, without wondering like last year if they would even play with the defeat of the millage, but the Grayling Youth Booster Club came through and bailed the athletic program out to save athletics here...with the start of school Wednesday, girls basketball will get underway as well as the Junior Varsity football team...one thing that is good for the small towns in the north at least the people can look forward to the athletic programs which help the time to go faster in the winter time...

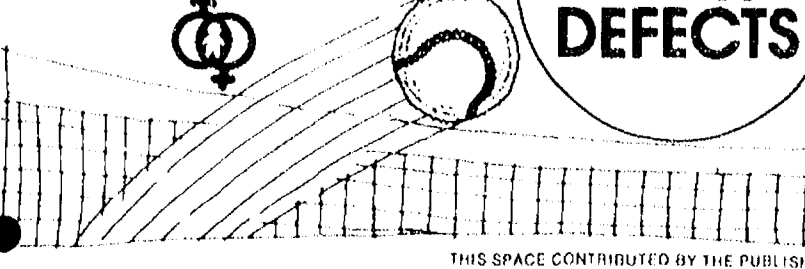

We were sorry to hear Sunday evening that Sam, our friendly bar maid at the Jack Alef Roast was in an accident the other night and is in the hospital...we hope for a speedy recovery for you Sam...

Jack was also in town last week...

This takes care of this turkey for this week...like we mentioned before Tuesday is deadline and there is a lot of work before your favorite paper is put to bed...goodnight T.J., Stefany and Amber and to all our readers have a nice weekend, it will soon be time to put up the storm windows...

It's your return support that counts! March of Dimes

Mr. and Mrs. Richard DuBois and sons spent the holiday weekend at Cedarville, in the U.P.

**46 Years Ago**  
September 10, 1936  
Some 40 friends of Dr. and Mrs. C.R. Keyport gathered at the Wolff farm Sunday evening to make their twenty-fifth wedding anniversary a happy occasion.

Frank Williams returned Monday from a three-week visit at Rosebush. His parents, Mr. and Mrs. Lyman Williams, and Arnold Tibbitts, have been making their home there for some time.

Mrs. Sarah Buck and grandson, Walter Buck, Jr., returned home Sun-

day after spending most of the summer with her daughter, Mrs. Amos Buck at Houghton Lake. Miss Margaret Buck, who was employed during the summer at Higgins Lake, returned home Monday.

Mr. and Mrs. John Schofield and Miss June Schofield visited Mrs. Schofield's grandmother at Luzerne over Sunday.

The Mikesell Boat Works will soon be the scene of buzzing activity; Mike reports that he will soon lay the keels for two new craft - one for Major Hawxhurst and one for Henry Reniger. The Hawxhurst job will be fitted with regulation oar locks for use with outboard motor.

Mr. and Mrs. Andrew McGuire of Flint, together with a part of friends, were weekend guests of Mrs. McGuire's parents, Mr. and Mrs. Hugo Schreiber, Jr., at the Rainbow Club.

George Hilton and family spent the weekend visiting his parents at Mason. They were accompanied by Mrs. Hilton's sister, Miss Mildred Corwin, who will teach this year at the Holmes Street School.

Ralph Anderson of Baraga has returned to his home after spending the past five weeks with his aunt and uncle, Mr. and Mrs. Frank Bennett.

Ella and Margrethe Hanson of Lansing, and Dick Snyder of Saginaw, enjoyed Labor Day weekend with Mr. and Mrs. Oscar Hanson at Lake Margrethe.

The Avalanche office has let a contract to Len Isenhauer for building a basement for its office building.

**69 Years Ago**  
September 11, 1913  
Last Monday, Sept. 8th, Sister Mary Leo, Superior of Mercy Hospital of this city, celebrated in a quiet manner her silver jubilee of entering the Order of the Sisters of Mercy. High mass was celebrated in the hospital chapel by the Chaplain, the Rev. John J. Reiss. Many sisters and friends of the dear, good Sister Leo were present to remember her in their prayers and holy communions.

Mr. and Mrs. A.E. Mason and children took in the Northeastern fair at Bay City last week.

Scotty Wylie and family of Chicago have moved to this city and will occupy the Henry Borchers house on the South Side.

Mr. and Mrs. A.F. Gierke and sons Charles and Edward returned Friday night from Bay City, having spent the week at the fair.

Miss Elsie Erickson left last week for Ashland where she is going to enter the new Ashland College which opened recently.

Miss Augusta Kraus has signed a contract to teach at Stephan's Bridge near here.

Miss Christine Christensen from Denmark Friday and will visit with relatives here for a couple of weeks before leaving for her home in Detroit. She was accompanied home from Denmark by Miss Medea Sorenson, sister of Jens Sorenson of this city.

The little Hanson twins, Ella and Margrethe, celebrated their birthday Monday, Sept. 8 by entertaining a few of their little friends at their home on Peninsular Ave.

## The Bible Speaks

From Calvary Baptist Church

**Is Divine Election Unfair ?**  
Romans 9:14-18

Many churches ignore, discredit and deny the Bible doctrine of divine election because they cannot reconcile this teaching with their concept of an all-powerful, righteous and merciful God of love. This is the first question answered, following the teaching of election. "What shall we say then? Is there unrighteousness with God? God forbid." Romans 9:14. Human logic says God could not be fair and practice divine election, but God reminds us that He can.

God is sovereign in all things including salvation. "For he saith to Moses, I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion." Romans 9:15. Notice God used the words "I will" four times in one verse in reference to His mercy and His compassion. God does not owe mercy or compassion to a single human being. All of us deserve eternal Hell. How dare we question God's love, mercy and grace towards a few of the undeserving He has chosen to spare and save! Someone may object and say they turned to God by their "free Will". Sorry, "God...commandeth all men everywhere to repent." Acts 17:30. When you repent of your sins and trust Jesus Christ you are obeying God's will. When you refuse to repent and trust Jesus Christ you are rejecting God's Will. You have no will, only human responsibility to God's will.

"So then it is not of him that willeth, nor of him that

runneth, but of God that sheweth mercy." Romans 9:16. Man's will and man's efforts can never claim credit for God's mercy. God illustrates this point by the life of an enemy of God and His people. "For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might shew my power in thee, and that my name might be declared throughout all the earth. Therefore hath he mercy on whom he will have mercy, and whom he will he hardeneth." Romans 9:17, 18.

The same God who showed mercy to a slave named Moses, hardened the heart of a ruler named Pharaoh. God provided Moses to deliver the nation of Israel, and destroyed Pharaoh's army in the Red Sea. By destroying Pharaoh's army God showed his power and made His name known.

Both Pharaoh and Moses were murderers. God showed mercy toward Moses and used him to deliver the nation of Israel from bondage. God hardened the heart of Pharaoh and brought the 10 plagues of death and destruction upon the nation of Egypt.

The lesson for us is clear, cast yourself upon the mercy of God and do not harden your heart in rebellion against Him. Most of the people in the Grayling area who are today headed for eternal Hell are so in rebellion against God they do not wish to hear about His mercy and grace. (adv.)

## WELCOME TO AUTUMN

As Labor Day quietly slipped by, our environment once again takes on the colors of change amidst the hope of Indian Summer. Bird season begins next week, with Bow season close behind. How can it all be, as it seems Trout season started just yesterday?  
With time surely on the move, the Old AuSable has pulled together some low prices that we guarantee are going to stay. Compound Bows, Shotgun Shells, Hunting Vests, Camo Jackets and Arrows all at prices to help you make the best of the upcoming Hunting Seasons.  
For reliable advice, along with price, stop by and see us at the Old AuSable in good old downtown Grayling.

**This Week's Special — Darton SL50 \$119<sup>95</sup>**

## Completes Air Force Training

Airman Scott G. Brooks, son of Thomas G. and Florence P. Brooks of 807 Maple St., Grayling, has been assigned to Lowry Air Force Base, Colo., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations. In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force. The airman will now receive specialized instruction in the avionics systems field.

## Fairs are Heritage

Heritage is something made from the present day to be remembered in the future. Heritage is what people produce out of their life style. A good place to share this heritage in the making is at a fair.

The child who exhibits in a county fair learns good values for the future. If blue ribbons are won a sense of pride for a job well done is felt. If a participant ribbon is received a sense of striding to be better next year. A goal to work for is important for all ages at a fair.

These are all important elements to make a county fair for Crawford County a success. A fair is all the members of the county working together to promote their county and what is in their county. The Crawford County Fair Committee is meeting to bring a fair in to be the summer of 1983. A county public meeting is being planned by the committee to promote memberships and to set up a Fair Board. Any of the following committee members may be contacted for input or information - Harold Mertes, Florence Hough, Diane Tompkins, Jan Olson, Ann Stephenson, Roy Spangler and Claudia Delp.

## Use Leftovers To Save Food Dollars

by Gail Edwards  
Ext. Home Eco.

One way to stretch your food dollar is to get more mileage from leftovers. But that doesn't mean dull meals. There are plenty of tantalizing - and nutritious - ways to prepare leftovers.

Take, for instance, macaroni and cheese. You can easily beef up this convenient single - dish meal with leftover meat, poultry, tuna fish and vegetables. Adding these creates a new taste twist and also enriches the meal nutritionally.

Likewise, you can add the nutrient - packed water from canned and cooked vegetables to soups and stews. The same goes for celery leaves, parsley stems and other vegetable "scraps."

What about fruits? Over-ripe bananas are great for breads, cakes and even milkshakes. And you can add the juice from canned fruits to gelatin molds, puddings and frozen desserts.

Stale bread, on the other hand, is fine for French toast, as well as stuffing.

## Bits O'Talk

by Fay Bovee

Mary Jane Knibbs joined her daughter, Dr. Linda Knibbs, of Springfield, Illinois, and together they attended the Education Commission of the States in Portland, Oregon. They also visited Rob Chappell, son of Mr. and Mrs. Robert Chappell of Grayling, in Walled Port, Oregon, visited Mt. Hood, Oregon, and drove up the coast to Seattle and stayed at Lake Crescent Lodge in Washington.

Clifford Glenn of Columbus, Ohio is here visiting his sister, Ruth Hooper, on Wednesday, Sept. 1st. She had a birthday dinner and cake for her brother and Bernice Madsen who was 71 years old.

Pallbearers for the Twila Kuhn funeral were: Alfred Kuhn, Richard Robinson, Robert Morford, Herb Wheeler and Jerry Welch.

## Kirtland Offers Mechanic Clinics

Certified auto mechanic trainees, and others in the automotive repair field from eight northeastern Michigan counties have been invited to attend one of three factory repair update clinics to be held September 17 and 18 at Kirtland Community College in Roscommon.

The clinics - an evening session on September 17 followed by two daytime clinics the next day - will be co-sponsored by the College; MOOG Automotive of St. Louis, Missouri; and the Secretary of State's Bureau of Automotive Regulation.

Secretary of State Richard H. Austin, whose department certifies mechanics in Michigan, said the clinics cover new technology and provide hands-on training in repair and replacement of rack and pinion steering and MacPherson strut suspension systems, which are

## original equipment on many newer vehicles.

Invitations, according to Austin, have been sent to more than 700 certified mechanics and trainees from Roscommon, Ogemaw, Oscoda, Crawford, Iosco, Alcona, Gladwin, and Otsego counties.

Instructor for the clinics will be Albert Boyce of MOOG Automotive.

For added information and registration details, persons should call Kirtland Community College, (517) 275-5121 (ext. 270).

## Blueberry Road

If all the blueberries grown in America in one year could be spread out in a single layer, that layer would cover a four lane highway stretching from New York to Chicago.

## American Viewpoints

Independence? That's middle class blasphemy. We are all dependent on one another, every soul of us on earth. — George Bernard Shaw

**Grayling Window & Door**

A COMPLETE LUMBER, MILLWORK & HARDWARE CO.  
M-72 West — Hours 8:00-5:00, Mon.-Fri. — Saturday 8 a.m. to 4 p.m.

THE "WELCOME MAT" to Grayling was widened recently when the Beautification Committee placed flower bouquets on light posts entering the town and colorful red geraniums on display at the main intersection of town.

According to Beautification Committee Co-Chairperson Sherry Hanson, the newest enhancement of the city was a combined effort by many of the local merchants. She paid tribute to donors, John Stampfly for wood to make the display boxes, Mar-Jon Sawmill for the same purpose and Grayling Window and Door and DuBols Lumber for hardware for the flower box project.

Mrs. Hanson also asked that donors such as Jack Millikin, for top soil, and the Camp Lehman work crew be recognized. She noted that Flowers by Josie contributed the colorful floral displays at their cost and that city work crews worked on the planters. She said that the City of Grayling-Grayling Township Fire Fighters hung the planters on the light poles.

#### Legal Notice STATE OF MICHIGAN In the Probate Court for The County of Crawford

File No. 4007  
NOTICE OF HEARING  
ON CLAIMS

Estate of Theo Sneed, a/k/a  
Theodore Sneed who died on  
August 6, 1982.

S.S. No. 379-20-3658  
TAKE NOTICE: On 8-27-82  
at 9:30 a.m., in the probate  
courtroom, Grayling, Michi-  
gan, before Hon. Emil L.  
Kraus Judge of Probate, a  
hearing was held on the  
petition of Marie Jeanette  
Thomas praying that:

1. The Will be admitted to  
probate;

2. Administration be granted  
to Marie Jeanette Thomas,  
the personal representative  
named in the Will;

3. This be an independent  
probate.

All claims against the estate  
must be filed with the Court  
on or before Oct. 27, 1982 and  
copies sent to Robert A. Hess,  
319 Lake Street, Roscommon,  
Michigan 48653.

Dated: August 24, 1982

Marie Jeanette Thomas  
2150 Marlou Court  
Saginaw, Mich. 48603  
517-793-2966

319 Lake Street  
Roscommon, Mich. 48653  
517-275-5184

#### Wins Student Life Scholarship

Eileen Marie Kelly, of  
Grayling, has won a Student  
Life Scholarship at Oakland  
University and will receive  
\$1,000 a year for four years  
starting next fall. Kelly at-  
tended Grayling High  
School.

The award is based on an  
excellent record of high  
school and community ac-  
tivities and high grades.  
Family income is not a fac-  
tor, states Jerry Rose, OU  
director of admissions and  
scholarships.

Student Life Scholarship  
students will live in OU  
residence halls and help  
provide leadership for a  
wide range of campus ac-  
tivities, Rose said.

"When I left the ranch I  
was a three-letter man." "You  
mean there were athletic teams  
there?" "No, I sat on a hot  
branding iron."

#### Alumni News

Annual letters have been  
mailed to available address-  
es through the Class of '62.  
We congratulate the many  
classes that had Reunions  
this Summer...that is what it  
is all about...to remember  
the best years of your young  
life. Had a letter from Mary  
Cassidy Hewitt, '18, sending  
her greetings to her friends  
here in Grayling...said she  
had been Valedictorian of  
her class.

This year we recognize  
two worthy Alumni mem-  
bers for their contributions  
to the School and Com-  
munity...Leslie Goss, '47,  
and Bernice Corwin Hilton,  
'26...Next week I will write  
up some background on  
both.

"Happy retirement again"  
to Elmer Fenton, one of our  
favorites...a drop-out kid  
from the South Side who  
educated himself to become  
a Teacher and one of our  
School Principals...who did  
what he could for our young  
people for so many  
years...When we honored  
him in 1974 he and his wife,  
Margaret had had a total 63  
years of teaching between  
them...that is commendable.  
For those who did not get a  
letter...the date for G.H.S.  
Alumni Homecoming '82 is  
Saturday, October 2nd. For  
extra information, write 403  
Mich. Ave. or call me 348-  
8260.

Clara Sorenson  
Membership Secretary

#### THANK YOU

We would like to thank the  
Doctors and nurses for  
being so helpful & kind. We  
thank our family and friends  
for the visits, cards, flowers  
and gifts.

Ernest & Lois Low

#### Obituaries

##### Hold Services For Kenneth Short, 63

Kenneth L. Short, age 63,  
died Sunday, September 5,  
1982 at his home in Frederic.  
Funeral services were held  
1:00 p.m., Wednesday, Sept.  
8, 1982 at Sorenson Funeral  
Home with The Reverend  
Robert Taylor officiating.  
Burial was in Oakwood  
Cemetery, Frederic.

Mr. Short, a resident of  
Frederic for twenty years,  
was born October 23, 1918 in  
Curnes, Michigan. He had  
been employed as a laborer.

Survivors include his wife,  
Mary; two daughters, Bren-  
da Sue Pettyjohn and  
Patricia Rose Cox, both of  
Frederic; one brother; three  
sisters, and two grandchild-  
ren.

##### Services Held For Peter Wells Bedard, 5

Peter Wells Bedard, 5,  
died on Wednesday, Sep-  
tember 1, 1982 at Mt.  
Pleasant Regional Center.  
Funeral services were held  
on Saturday, September 4,  
1982 at St. Mary's Catholic  
Church at 11:30 a.m. with the  
Rev. William Rabior of-  
ficiating, interment was in  
Elmwood Cemetery.

Peter was born on Novem-  
ber 6, 1976 in Lansing. He is  
survived by his parents,  
James and Vicki (Wells)  
Bedard, Grayling; two  
sisters, Beth and Andrea and  
one brother Nicholas, all at  
home; maternal grand-  
parents, Perry and Beverly  
Wells; Paternal grand-  
parents, Leonard and Suzy  
Bedard of Allen Park; and  
Maternal great grand-  
mother, Bessie Deckrow,  
Grayling.

For those wishing to make  
Memorial Contributions the  
family suggests the Fr.  
Louis Ivandic Scholarship  
Fund, in care of St. Mary's  
Catholic Church, Grayling.

##### Saturday Services For Laura Hoesli, 54

Laura I. Hoesli, age 54,  
died Wednesday, September  
1, 1982 at Mercy Hospital.  
Funeral services were held  
2:00 p.m., Saturday, Sep-  
tember 4, 1982 at Sorenson  
Funeral Home with The  
Reverend Donald Roberts  
officiating. Burial was in  
Beaver Creek cemetery.

Pallbearers were Dave  
Cook, Melvin Cook, Randy  
Eischer, Jim Cooper, Fred  
Morse and Denny Morse.

Mrs. Hoesli, a resident for  
eight years, was born August  
29, 1928 in Saginaw County.

Survivors include her hus-  
band, Clarence; daughter  
Ann Bale; son, Gerald  
Hoesli; four sisters; one  
brother and five grandchild-  
ren.

#### Kirtland-Chamber Offers Seminar

A "Business Marketing/Promotion Management Seminar" will be presented on September 23 and September 30, 1982, by Kirtland Community College (funded by a grant from the Interagency Collaborative Body — I.C.B.), in co-sponsorship with the Grayling Area Chamber of Commerce. The objective of this short seminar (16 clock hours) is to provide up-to-date information in management, marketing, retailing, and finance, which is essential for the operation of a business.

The seminar will be held from 1 - 8 p.m. on Thursday, September 23rd, and from 8:30 a.m.-4:30 p.m. on Thursday, September 30th, at the Chief Shoppenag Motor Lodge, Grayling. A \$10 registration fee will be charged. A certificate of completion will be awarded to each participant upon completion of the seminar.

Topics will include: purpose and function of manage-  
ment; advertising usage, planning, creativity, budget, and  
media; marketing concept and product and service mix;  
hospitality operation and techniques; accounting  
procedures, financial planning/cash flow; and break even  
analysis.

For further information, contact the Admissions Office  
at Kirtland at 517-275-5121.

#### Lovells News

By Ruth Caid

Mrs. Jane Venable Brown  
of Lexington, Kentucky was  
a visitor of the Harold John-  
son's, she was a former  
Home Extension agent of  
Crawford County.

Mrs. Joanie Erb and sons  
were guests of Mrs. Jean  
Werker in Detroit, while  
there they attended a Tiger  
baseball game and the Mich-  
igan State Fair.

Mr. and Mrs. Don Bolton  
and her mother of Detroit  
spent the holidays at their  
cabin on Lovells Road.

Mr. and Mrs. John  
Kaunmeyer visited their son  
Ray and family in the upper;  
also their daughter and hus-  
band, Mr. and Mrs. Richard  
Summers in Detroit.

Mr. and Mrs. Marvin  
Wicoff spent a week at  
Walled Lake with their  
daughter and husband, Mr.  
and Mrs. Bernie Bobola, who  
are the proud parents of boy  
and girl twins, Erin and  
Adam.

Mr. and Mrs. Charles  
Nash Miller have spent  
several weeks at their home  
on the North Branch. While  
here they celebrated their  
45th wedding anniversary.

They were happy to have  
their sons and families in-  
cluding their nine grand-  
children, from Oklahoma,  
Montana and California,  
with them to help celebrate  
the occasion.

The Kellogg families en-  
tertained 82 guests Satur-  
day, September 4th to cele-  
brate the 50th Wedding An-  
niversary of Lee and Olive  
Kellogg. The party was held  
at the old Kellogg  
homestead. It was very en-  
joyable to see so many old  
and new friends from far and  
near. Out of town guests  
were from Burt, Bridgeport,  
Saginaw, Bay City, Beaver-  
ton, Luzerne, Detroit, North-

ville, Hesperia, Auburn, Ann  
Arbor, Twin Peaks, Califor-  
nia, Grayling, Frederic,  
Maple Forest and Lovells. A  
tour of the old house was in-  
cluded.

#### Frederic News

by Eva Hulbert

Every Friday at the Cen-  
ter in Grayling, there is to be  
a card party with prizes.  
Each person is to pay 50 cen-  
ts. Eight tables of  
progressive pinochle, a table  
of buncos and a table of  
canasta. Coffee and cookies  
or cake will be served. If you  
like to play cards, hope you  
plan on joining us for an af-  
ternoon of fun with friends  
and meeting new ones.

Monday, Sept. 13 Discount  
Cards, 1:30.

Thurs., Sept. 16  
Progressive Games Inter-  
national, a special, 5:30. If  
your interested why not  
make it for dinner, on the  
menu is Barbequed  
meatloaf. Eat at 5 p.m.  
Please call in ahead of time.  
Thank you.

Happy Birthday to Ilse  
Mehlhorn Sept. 9, Charlie  
Thompson 11 of Maple  
Forest and to Dale Lane  
13th.

Frederic Sportsman Club  
are asking all members to  
please attend special  
meeting Wednesday, Sept. 8,  
7 p.m.

First Baptist Church had  
"Promotion Day" last Sun-  
day, it was real cute to see  
the youngest class in their  
cap and gown. And moving  
on to a new teacher. There  
are three new teachers.  
And look for notice of Daniel  
Band will be starting.

School bells will be ring-  
ing, sure is nice to see the  
school open again. Have a  
good day kids.

### Court Action Expected After Death Penalty Proposal Taken Off Ballot

Warren M. Hoyt, Executive Director, MPA

Lawyers for backers of the controversial proposal allowing the death penalty for first degree murder planning taking their battle to the court after the Board of State Canvassers threw out petitions that would have placed the proposal on the November ballot.

The canvassers ruled there was almost no statistical chance the petitions filed on the proposal contained the 286,722 valid signatures needed to put the question to the voters.

Lawyers for L. Brooks Patterson, Oakland County prosecutor and Republican candidate for attorney general who championed the proposal, said they would file a mandamus action with the state Court of Appeals to force the issue on the ballot.

Attorney Richard Thompson said the board added unnecessary technicalities in an effort to discredit the signatures of legally registered voters.

The board refused to certify the proposal after ruling that out of a sample of 499 signatures of the 307,000 filed, there were only 411 valid signatures.

The board refused to include in the sample the signatures of 38 people the lawyers for Patterson argued were registered voters but simply made mistakes in signing the petitions.

Earlier in the month, Lansing lawyer Eugene Wanger, author of the current constitutional ban on capital punishment, and Howard Simon of the American Civil Liberties Union, said they had found more than 100 signatures that were either invalid or questionable in the sample of 500 elections officials had drawn to check.

Thompson argued before the canvassers that the constitution and the courts demand that no artificial technicalities stand in the public's right to amend the constitution.

"There is a constitutional right to

get around the Legislature when the Legislature is not doing its will. The courts have held that you cannot restrict that right," Thompson said.

He argued that an Illinois case ruled that certain restrictions - such as petitioner signing his or her mailing address rather than their registration address - could not stand in the way of a constitutional initiative so long as the signers were registered voters.

Some 29 of the signatures excluded as invalid did involve such things as petitioners putting down the wrong address or being from the wrong county when signing the petitions.

Elections Director Chris Thomas said his staff checks signatures with the local clerks and if not found there, the signature is considered invalid. He added the errors are common mistakes and noted they could have been corrected if the elections staff checked further.

Lansing attorney Thomas Downs, an expert in election law, said the state had the right to guarantee the purity of elections and that requiring a petitioner to put down the correct locality was not an excessive requirement.

Wanger said he had the right not to let his taxes be spent on a proposal unless those advancing it had conformed to the laws.

Capital punishment was first outlawed in Michigan in 1846. Only two executions have taken place in the state.

Several times in the past, petition drives have been started to put the question on the ballot but they have always failed.

This year's petition drive was far short of the necessary signatures until the shooting death of State Police Trooper Craig Scott. His widow, Lydia, publicly supported the proposal which provided the impetus to gather the 307,000 signatures filed last month with the state Elections Division.

A double ring ceremony at Mt. Hope Lutheran Church in Grayling on Saturday, August 14th united Corlynn A. Meech and William I. Dean II, in marriage. Cory is the daughter of Ms. Amber I. Meech and Bill is the son of Mr. and Mrs. Jon Stevens.

The four o'clock ceremony was performed by the Reverend Dale Bond before one hundred and thirty five guests. Three musical selections were sung by Mr. and Mrs. David Ross accompanying each other on flute and guitar. Organ music was provided by Mrs. Claudia Albright.

The bride, given in marriage by her Uncle, Arthur V. Carlson of Grayling, wore a gown of Dacron sheer organza, featuring a high V-neck yoke of embroidered English net trimmed in seed pearls and ruffled cluny lace, with a full semi cathedral attached train. Her finger-tip veil of bridal illusion was edged with silk Schiffli lace attached to a Juliet cap of lace and seed pearls. She carried a cascade bouquet of fresh lavender Yvonne Roses with sweet scented trailing white Freesia and Eucalyptus called An Image of Sweetness.

Mrs. Cindi Graham, cousin of the bride, of Petoskey, was Matron of Honor. She wore a full-length dress of Rose lustreglo and Silesta chiffon. The bridesmaids were Susan Worden of Hale and Susan Somerville of Grayling. They were attired in full-length lilac gowns with pleated skirts and Queen Anne necklines. All carried single fresh lavender Yvonne Roses framed with Baby's breath. Jennifer Olson, cousin of the bride of Lawton was the flower girl, she wore a full-length floral print dress and carried a straw basket of pink tea roses.

Philip Knapp of Traverse City attended his brother as Best Man. Robert Mahaney of Marquette and Steven Olson of Grayling were groomsmen and Joshua Ponsot, nephew of the groom was ring bearer. The groom and all attendants were attired in Silver grey Ashby Tuxedo's with fresh lavender Yvonne Rose Boutonnieres framed with baby's breath.

For her daughters wedding Ms. Meech chose a floor-length flower print gown of champagne and peach with a corsage of champagne carnations and white tea roses.

The groom's mother was attired in a floor-length turquoise dress, with a match-

ing jacket edged with lace, and wore a corsage of champagne carnations and white tea roses.

Following the wedding a reception was held at Schey's Country House for approximately 175 guests arranged by Mr. and Mrs. Rod Powers of Mears, cousins of the bride.

Guests included friends and relatives from Indiana, Illinois, Wisconsin, Florida, Maryland, Georgia, and Mears, Petoskey, Lawton, Holland, Harper Woods, Hale, Houghton, Traverse City, Battle Creek, Marquette and Ellsworth, Michigan.

After a honeymoon at Mackinac Island and Copper Harbor in the U.P. the couple are making their home in Chicago, Ill. Cory is attending the University of Illinois Medical Center and Bill is attending the Illinois College of Optometry.

**Editor's Mailbox**

Sept. 1, 1982

Dear Editor,

The last edition of the Crawford County Avalanche included an article on the possible closing of the Grayling Mental Health Office. It is hoped this letter will provide a better understanding of the circumstances surrounding this proposal.

The North Central Community Mental Health Board as part of its budget submission for the coming fiscal year (October 1, 1982 thru September 30, 1983) was required to submit a plan to deal with a 10% reduction in state funding (a reduction from the current year allocation). The reduction translated into approximately 84,000 state dollars. If the 10% local match is added, it raises the dollar cut to approximately \$93,000. This proposed budget cut is without considering increased costs for insurance, rent, gas and other year to year expenses which the Board has limited control over. If these costs are considered the shortfall in revenues the Board could project approximates \$125,000. It should be added the Board has already made a commitment to not

provide any cost of living to its staff unless sufficient funding exists to avoid any program reductions, therefore none of this shortfall is related to staff wages.

The Board considered its entire proposed budget including possible cuts, if a 90% only allocation were approved at its regular meeting on August 12. This meeting was also a public hearing on the budget. The plan which was approved targeted five program reductions associated with the projected loss of revenues. One of these was the conversion of the Grayling Office to a satellite operation. The cuts were proposed to allow for at least one quarter of operation prior to their implementation. During this period the Board would (1) have an opportunity to work out details related to the proposed program reductions and (2) examine alternatives to the plan proposed to the Department of Mental Health with its initial budget submission.

It should be clearly understood that it is not the Board's desire to close (convert to a satellite operation) the Grayling Office. This is an effect of the possible budget reduction.

The Board has communicated both with the legislature and the Department of Mental Health its concerns about such cuts and the anticipated negative impact in a reduction in capacity to serve the people of our catchment area, and, would encourage similar communications from anyone interested in maintaining a viable community mental health system.

In the meantime, the Board is continuing to examine its options should the allocation from the Department of Mental Health be reduced. We are hopeful that all of the proposed cuts can be avoided and are desirous to maintain the Grayling Office operations if at all possible.

Sincerely,  
Anton P. Colasacco, M.A.  
Director

Jini Hindmarsh  
Board Chairperson

**PRESENTS CHECK FROM ROTARY**—Gary McLaughlin of the Rotary Club of Grayling presented a check to Sherry Haag, Director of the Retired Senior Volunteer Program, to help defray insurance costs for the volunteer project.

RSVP is required by ACTION grant to provide Group Accident and Liability Insurance for all volunteers, drivers and non-drivers. Funds for insurance must be raised through local means.

Volunteers drove 28,000 miles June 1981 through May 1982 with 26,000 service hours to the community.

RSVP activities include tutoring children in school system, hospital volunteers, Hartwick Pines, Historical Museum, Senior Center and other non-profit agencies and organizations in the community.

**Kirtland  
Audubon Society**

The Kirtland Audubon Society is planning an Elk Sightseeing Trip, scheduled for Sunday, September 19th, north of Atlanta.

The tour will be conducted by Mr. Tom Carlson, Wildlife Biologist at the Atlanta DNR Office, and will leave promptly at 6:00 p.m. from the roadside park 7 miles north of Atlanta on M-33 (park is on east, or right, side of road). Car pools will be formed to condense the number of vehicles entering the elk areas.

(If you are interested in having a picnic, meet at the park at 4:30 p.m. Bring your own picnic lunch/supper).

The first Audubon meeting of the year is scheduled for Thursday, September 16th at 8:00 p.m., in room No. 7 in the Academic Building on the KCC Campus. The speaker for the evening will be Mr. Tom Dale, Sr., who's subject will be "Alaskan Safari."

Annual dues (\$5.00 per family) will be collected at this time from those members who have not paid.

Both the elk trip and the Audubon meetings are open to all persons in the community.

**TO ALL CUSTOMERS OF General Telephone of Michigan**

On June 30, 1982, General Telephone Company of Michigan applied to the Michigan Public Service Commission for authority to revise its Schedule of Rates and Charges which would have the effect of increasing its revenues by the amount of approximately \$45,428,000 annually based upon 12 months of projected operations ending December 31, 1982. In addition to the application, the Company filed copies of its direct testimony and exhibits with the Commission. The Company also filed a motion with the Commission requesting immediate and partial rate relief in the amount of \$16,461,000 to be effective at the earliest possible date and to be recovered by a uniform surcharge of 31.1% on all local services rendered by the Applicant.

Information about hearings, details of the rate application, and the proposed new rates are being published in daily newspapers serving General Telephone of Michigan operating areas. It can also be obtained by writing:

Public Affairs Dept.  
General Telephone Company  
Box 149  
Muskegon, MI 49443

**GTE**  
**General Telephone of Michigan**

**TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY**  
(Published by Direction of the Michigan Public Service Commission)

**NOTICE OF OPPORTUNITY FOR HEARING**

On August 25, 1982, Michigan Consolidated Gas Company (MichCon) filed an application in Case No. U-7303 for authority to implement a pilot program for eligible low-income residential customers which would provide shut off protection, and heating and conservation assistance under which qualifying low-income customers would pay a fixed monthly charge for heating and have their homes weatherized to reduce future energy consumption. MichCon proposes to implement the pilot program for one year and limit the program to approximately the first 10,000 customers who apply. Customers participating in the program who made the required monthly payment would be protected from shut off for nonpayment. The funding of this program, amounting to approximately \$6,000,000, would be derived from residential portions of refunds pending in Case No. U-6794.

MichCon proposes that after this pilot program is completed, reconciliation of costs of the program with the funding from Case U-6794 would take place. Any surplus would be returned to the residential refund liability account for future refunds to residential customers, and any deficit would be deferred to be recovered from the residential class of customers in a future rate case.

In view of the time constraints reflected in MichCon's proposal, anyone wishing to have a hearing on this matter should request such opportunity prior to September 24, 1982. At that time either a hearing will be scheduled in the Commission's offices or, if no party desires a hearing, the Commission will proceed to review the merits of MichCon's proposal on an ex parte basis. Should a hearing be held in this matter, it will be consolidated with the reopening of Case No. U-6794 for the purposes of considering MichCon's proposed treatment of a portion of the residential refunds covered by that proceeding.

Jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 460.2 et seq.; Section 4 of 1919 PA 419, as amended, MCLA 460.64 et seq.; Sections 4, 6, 6a and 6b of 1939 PA 3, as amended, MCLA 460.4, 460.6, 460.6a and 460.6b; Section 3 of 1923 PA 238, as amended, MCLA 486.253; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

**NOTICE IS HEREBY GIVEN THAT:**  
Anyone meeting Commission requirements for intervention and wishing to have a hearing on Michigan Consolidated Gas Company's request for a pilot program for shut off protection and notifying the Commission of such prior to September 24, 1982, be afforded such a hearing on September 24, 1982 in conjunction with the reopening of Case No. U-6794.

**MICHIGAN CONSOLIDATED GAS COMPANY**

## Volunteers to Participate In Medical Research

Starting September 1, 1982, 30 households in Crawford County will have a chance to participate in medical research. During September, volunteers of the American Cancer Society will be encouraging their friends and relatives to take part in Cancer Prevention Study II. The study will be the Society's second major research endeavor to learn how lifestyle and environmental factors influence cancer and other diseases.

One of the largest epidemiologic research projects ever to be carried out in the U.S., the study will involve more than one million American men and women from all racial, ethnic, and economic groups.

"With information provided by study participants in Crawford County and all over the country, we hope to identify those factors that increase a person's chance of getting cancer, those that carry little or no risk, and those that actually may help prevent cancer," said Joann Olsen, Chairman of the Crawford County Unit of the American Cancer Society. "We'll then be able to develop programs to help people follow lifestyles that minimize their cancer risk."

The first Cancer Prevention Study, conducted from 1959-1972, identified many factors related to the development of cancer and other diseases. The link between cigarette smoking and lung cancer and heart disease was an important outcome of the study, and helped to initiate the public health campaign against smoking. The study also revealed the relationship of obesity to certain cancers, the profile of women at high risk for cervical cancer, and the role of exercise in preventing heart attacks and strokes.

Though conceived along the lines of the first study, Cancer Prevention Study II will break new ground in areas of investigation.

"CPS II will be even more timely and more inclusive than CPS I, and will respond directly to public anxieties and frustrations about our environment: what is carcinogenic and what is safe," said Dr. Robert V.P. Hutter, President of the American Cancer Society. Notes Lawrence Garfinkel, Vice President of Epidemiology and Statistics for the ACS, and Director of Cancer Prevention Study II. "Since our first study was conducted, changes have taken place in the way we live, the food we eat, and the products we use. We're anxious to see how such changes have affected our health risks."

Study participants will complete a confidential questionnaire about their working, living, and eating habits. Covered in the four-page questionnaire are such topics of concern as low-tar, low-nicotine cigarettes, birth control pills, coffee, hair dyes, and saccharin. Also to be analyzed are air and water pollution, oc-

cupational exposures, and low-level radiation. The task of enrolling the million study participants falls to a dedicated army of more than 80,000 American Cancer Society volunteers. In Crawford County, 3 volunteers will enlist the 30 needed subjects. Participants will be expected to complete and return questionnaires to research volunteers by the end of the second week in September.

Once every other year for the next six years, these "research volunteers" will keep track of the million study participants, and report to ACS headquarters on their status and whereabouts. When study participants die, health statisticians will be able to determine how their lifestyles affected their health by referring to information in the questionnaires.

"We're very grateful for the enormous contribution the volunteer researchers will make to Cancer Prevention Study II. Without their donating time and energy, the cost of undertaking such a comprehensive study would be prohibitively expensive," Mrs. Olsen said.

The three volunteers from Crawford County are Beatrice Berry, Frances Fick, and Linda Mires.

## Trout Unlimited Notes

Members of the local George W. Mason chapter of Trout Unlimited recently completed fencing the east side of the "Guides Rest" area, on the main stream of the AuSable River. This area is located one-half river mile upstream from Stephan Bridge and six-tenths of a mile by road and path off Stephan Bridge Road.

In other river news, approximately 400 acres were given to Trout Unlimited and the Nature Conservancy, by the Stephan family. The purpose of this generous gift was to retain the natural beauty and habitat of the river and surrounding area. Picnic benches and a fire pit are provided at the river edge with a huge granite rock containing an engraved plaque which reads:

"In memory of Jim Wakeley 1919-1973 — dedicated to all who love and respect this river as he did."

For those who wish to visit "Guides Rest", a sign is provided from the North Down River Road approach which reads: Welcome to Guides Rest

"Upon this carpet of oak and pine Man spends but a segment of his allotted time May you pause and listen to the river near and the message it speaks to those who will hear."

This fragile land is yours to use, Let not your passing cause abuse, It's the buttress bold to a mighty stream, As those before would ever dream."

**AN HONEST FISHERMAN**—Although some fishermen are prone to telling fish tales, Irene Wyman, holding a 19 lb. shinook, proved there are also honest fishermen. The shinook she caught last Sunday had a tag worth \$2000 in the Stroh's Ludington Salmon Derby. Wyman wasn't eligible for the prize because she wasn't registered in the contest but storeowners and other fishermen urged her to register and then claim she caught the fish after registering in order to collect the \$2000. Her shinook was the only one out of 50 released and tagged for the contest to be caught so far. One of the fish has a tag worth \$75,000. Wyman caught the fish Sunday near Manistee.

## Senior Citizens Center Menu

Monday-Thurs., Soup and Sandwiches 11:30-12:30.

Monday-Thurs., Dinner at 5:00 p.m.

Friday - Dinner at Noon.

Reservations must be called in daily by noon - and for Friday noon meal by Thursday at 5:00 p.m.

Monday, Sept. 13-Cranberry Juice, cottage cheese, salad, vegetables, beef pie, mashed potato, blueberry dessert.

Tues., Sept. 14-"Cook's Choice".

Wed., Sept. 15-Orange juice, tomato salad, italian casserole, spinach, bread, apricot crunch.

Thurs., Sept. 16-Tomato juice, green beans, salad, barbequed meatloaf, roll, Au gratin potato, brussel sprouts, custard dessert.

Friday, Sept. 17-Grapefruit juice, beet salad, Salisbury steak, mashed potato, green beans, roll, banana pudding.

## CARD OF THANKS

I would like to thank all the merchants from Grayling and the surrounding area who helped make the "1st Annual Muscular Dystrophy Golf Tournament," held at the Grayling Country Club such a big success.

I would also like to send a special thanks to all the people who donated their time to work on the tournament. Without your help and labor it wouldn't have been the big success that it was.

Thanks you all  
Tim Mead and  
Krumrei Beverage

## District Court

The following persons appeared in 83rd District Court:

Mark Dixon, 21, of Grayling, demanded preliminary examination to a charge of breaking and entering into an auto.

Walter Dewberry, 36, of Ohio, plead guilty to a charge of unlawful use of marijuana. He was fined \$205 or 30 days. He was cited Aug. 28 by sheriff deputies.

James Lee Brown, 43, of Clayton, plead guilty to a charge of impaired driving and was fined \$255 or 14 days. He was cited May 7 by state police.

Thomas Kranis, 35, of Sault Ste. Marie, plead guilty to a charge of impaired driving and was fined \$255 or 14 days. He was cited Aug. 27 by sheriff deputies.

Jeff Failing, 26, of Grayling, plead guilty to a charge of attempted resisting and obstructing a police officer. He was fined \$85 or 10 days.

Colin Bird, 26, and Norman Klagor, 18, both of Canada, demanded preliminary examinations to charges of resisting and opposing a police officer.

Kevin Skees, 19, of Kalamazoo, was fined \$35 or four days for driving with a suspended license due to an unpaid ticket. He was cited Aug. 29 by state police.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Not long ago I was going through the accession record which is a list of artifacts donated over the years to the Park. A long way into that list it dawned on me that there were mighty few axes there. Very simply, the axe is a useful tool that is used until it is worn out and then if you worked in the woods, a blacksmith could convert it into a pic-a-roon to be used for piling or loading small logs.

Without a doubt, the axe is one of the oldest inventions of man. First there were axes of stone, then of bronze, then of iron, and finally of steel. Only in America did the axe reach its highest development. There were three kinds of axes used in the woods: the single-bit or pole axe, the double-bit axe and the broad axe. The men who worked the tall timber cherished their axe. The handle or helve was shaved down until it sprang like whalebone (it is easier to use and shock on arms and shoulders is lessened). The edge was honed with a wet or oil stone until it was razor sharp. Those men considered it a disgrace to have a nick in their axe; they never dropped it when work was done but put it where it was safe, often carefully standing it in a corner with the blade(s) protected by a crude wooden sheath. They did not leave their axe sticking into a tree or stump overnight, for they believed to do so would bring bad luck.

As a very wet-behind-the-ears kid working weekends with my Dad's crew, I learned how to use an axe under the watchful eyes of various old-timers. I still have that old axe and a much-worn pocket stone as a companion. When the time comes, one of my children will have it to use. Until then, I like many others consider it bad luck to give up one's axe.

## Money Saver

To operate range or oven economically, use only as much heat as necessary for cooking jobs. Turn range units off three minutes and oven units off 15 to 30 minutes before end of cooking time.

## Women's Club To Meet

The Christian Women's Club to celebrate their third anniversary with a special guest night!!

The Christian Women's Club of Houghton Lake and the surrounding communities will hold a special guest night dinner meeting at the Holiday Motel-On the Lake - on Old U.S. 27, Tues., Sept. 14, 1982, from 6:30-8:30 p.m.

You are cordially invited to attend this special guest night dinner.

A very special invitation is extended to the men. The Club will be celebrating their "Third Anniversary"...The special feature will be "Changing Scenes" and all you will want to know about photography as presented by Pat and Jenny Marra. For your listening pleasure, there will be delightful music by Norm and Marcia Pike.

The speaker, Coach Floyd Eby, from Coldwater, Michigan, will captivate you with his challenging experiences as a Coach, a Pilot and an Author.

Come and enjoy these features and the family style dinner for only \$8.50, at the beautiful Holiday Motel-On the Lake.

For your reservations for this Special Anniversary Celebration please call Louise Hammond at 422-5489 or Dolores Peckham at 821-9317. Reservations are necessary by September 10, 1982, and cancellations are essential. Late reservations will be accepted.

Please invite your husbands! They'll be so glad you did!

## Singing Seals

The elephant seal often snores to amuse himself. While partly submerged in an isolated tide pool, he may snore in a manner that suggests singing in a bathtub.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case Nos. U-5451-R (1982) and U-6743-R (1982)

## NOTICE OF HEARING TO REVISE CONSERVATION SURCHARGES

As more fully described below, if approved, the surcharge revisions sought would increase the gas bills paid by a typical residential heating customer, using 162 Mcf per year, by about \$1.30 annually.

In Case No. U-5451, Michigan Consolidated Gas Company (MichCon) was authorized by the Michigan Public Service Commission (Commission) to engage in a program for the conservation of natural gas pursuant to 1978 PA 211 (Act 211 Program) and the Commission's Residential Conservation Standards, R 460.2401 et seq. MichCon was also authorized by this Commission in Case No. U-6743 to implement a conservation program pursuant to the Michigan Residential Conservation Service Plan (RCS Program) to offer certain specific energy conservation services to their residential customers. Under both of those conservation programs, MichCon recovers the costs associated with each program by separate uniform surcharges included in the price of every metered unit of gas sold regardless of the amount of gas consumed by a customer. Also under each of MichCon's above-referenced conservation programs, comprehensive reconciliation proceedings have been established to enable the Commission to adjust, as necessary, the actual costs with surcharge revenues for the preceding surcharge periods and establish new surcharges for the ensuing 12 months. In each case the revised surcharge is netted against any overage or underage for the past surcharge period.

On October 16, 1981, the Commission issued its Opinion and Order in Case No. U-6743 authorizing MichCon to implement its RCS Program and to recover the costs of its RCS Program by a surcharge of \$.00162 per Ccf for every metered unit of gas sold, or \$.00159 per therm for those customers billed on a per therm basis.

Similarly, in its Opinion and Order dated March 2, 1982 in Case No. U-5451, the Commission authorized and approved a revised surcharge of \$.00022 per Ccf and \$.00021 per therm for MichCon's Act 211 Program. In that Opinion and Order, the Commission further approved subsequent reconciliation and hearing procedures on a consistent basis with MichCon's RCS Program reconciliation procedures described in the Commission's Opinion and Order dated October 16, 1981 in Case No. U-6743.

This Notice of Hearing is being issued in the captioned combined dockets in accordance with the Commission's expressed intent of establishing surcharge reconciliation proceedings for Applicant's Act 211 and RCS Programs on a consistent and consolidated basis.

On June 21, 1982, MichCon filed an application to suspend the surcharge established for its Act 211 Program until a new surcharge level is established and approved in the reconciliation hearings being noticed herein. The Commission issued its Order Approving Suspension of Surcharge in Case No. U-5451 on June 29, 1982.

On June 25, 1982, MichCon filed separate applications in Case Nos. U-5451-R (1982) and U-6743-R (1982) requesting authority to revise its surcharges under its Act 211 and RCS Programs, respectively. In lieu of filing subsequent exhibits to said applications, MichCon filed consolidated written testimony and exhibits in support of the following proposals to recover costs attributable to the conservation programs:

**Case No. U-5451-R (1982)**

Applicant represents that Program costs totalling \$1,755,741 were incurred during the 12 months ended June, 1982 by MichCon's wholly owned subsidiary, MichCon Conservation Company. Applicant further represents that total revenues collected were \$3,338,525, leaving an overage attributable to the Program of \$1,582,784.

Applicant estimates that Program costs for the ensuing period ending June, 1983 will total \$1,224,000. Applying the present overage against the estimated total program costs results in an estimated future net overrecovery of \$359,000 at the end of June, 1983. Based on estimated rate schedule sales of natural gas of 274.4 Bcf for the period from November, 1982 to June, 1983, Applicant proposes that the Commission authorize and approve a surcharge credit of \$.00013 per Ccf/therm to balance the anticipated net overrecovery. MichCon further requests that the proposed surcharge credit remain in effect until the end of the June, 1983 billing cycle then return to the zero level pending subsequent adjustment and reconciliation in coordinated proceedings with the RCS Program.

**Case No. U-6743-R (1982)**

MichCon represents that during the 13-month period ended June, 1982 total Program costs were \$6,884,097 with total Program revenues of \$5,300,711, leaving a \$1,583,326 underrecovery. MichCon estimates that Program costs for the ensuing period ending June, 1983 will total \$7,685,000. MichCon further estimates that additional billed and unbilled surcharges for the July-October and July-September 1982 periods, respectively,

will total \$1,019,000, leaving \$6,666,000 to be recovered during the period November, 1982 through June, 1983.

MichCon estimates that rate schedule sales of natural gas will total 274.4 Bcf for the period November, 1982 through June, 1983. Based upon the sales and cost estimates, MichCon proposes that the surcharge for the RCS Program be set at \$.00243 per Ccf (\$.00239 per therm) to be included in the billed commodity charge for gas consumption until subsequently revised by the Commission.

MichCon further requests that its rate of return under the RCS Program be changed from 9% to the 10.40% overall rate of return established for MichCon in Case No. U-6839. The effect of the proposed increased rate of return would change the proposed surcharge level from \$.00243 per Ccf to \$.00244 per Ccf.

In order to facilitate future RCS Program and Act 211 Program reconciliations and coordinate the timing of those proceedings with the time when actual costs and revenues for the period being reconciled are available, MichCon proposes that future reconciliations for the RCS and Act 211 Programs be as follows:

- On or about August 1, MichCon Consolidated will submit its applications accompanied by reports showing:
  - actual costs incurred and revenues received in connection with the Programs through the period ending June 30;
  - estimates of Program costs, revenues and gas sales for the subsequent July 1 to June 30 period; and
  - the resultant new program surcharge levels.

- After notice and hearing limited in scope to establishment of costs and sales levels to be used in calculating and collecting regular surcharges to fund the Programs, new Program surcharges will be established based upon the information submitted.

- The surcharges established pursuant to reconciliation shall become effective with the start of the November billing cycle.

- Surcharge reconciliation during the remaining terms of the Programs shall be consistent with the foregoing procedures.

NOTICE IS HEREBY GIVEN that:

A. A public hearing will be held at 9:30 a.m. on September 27, 1982 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite these proceedings. All parties shall be prepared to proceed with cross-examination immediately following the prehearing conference. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before September 22, 1982, an original and 12 copies of a petition to intervene, together with proof of service upon Applicant.

Subparagraph (2) of said Rule 11 provides as follows:

"A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-cited rule.

C. THE SURCHARGE CHANGES DESCRIBED IN THIS NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED CHANGES, IN WHOLE OR IN PART, AND MAY GRANT LESSER OR GREATER CHANGES THAN THOSE REQUESTED.

D. Michigan Consolidated Gas Company shall, at least 10 days prior to the prehearing conference on September 27, 1982, have available for inspection at each of its district offices in its gas service area a copy of its applications, and the testimony and exhibits of its witnesses.

## Fun Day at Country Club

The "Hookers and Slicers", the Thursday night couples league at the Grayling Country Club concluded their season with a Fun Day on Thursday, September 2. A "shot gun" start for mixed Scotch Doubles preceded the happy hour and steak dinner.

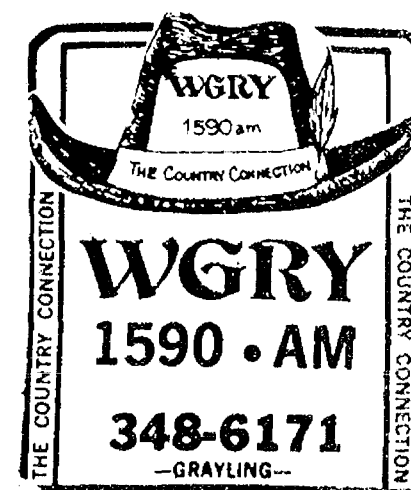

Winners in golf play were: Man Long Drive on No. 1 - Walt Layman; Lady Long Drive on No. 5 - Pat Ruddy.

The team events were won by Thelma Bateman and Jack Best - closest to the pin on No. 8; Helen Corbett and Ralph Davison - low gross. Three teams tied for low putts: Betty Layman and Tom Bateman, Phyllis Stewart and Bill Ruddy and Helen Corbett and Ralph Davison. The last named were the winners on a cut of the cards.

The Chairperson for the year was Phyllis Stewart who presented a traveling trophy to Thelma and Tom Bateman who were the number one team for the summer competition.

New Board members elected were Mavis and Ralph Davison, Lucille and Larry Smith and Evelyn and Ab Sager who will join Clara and Clare Beaufait and Dorothy and Ralph Kaseman to carry on the fortunes of the Hookers and Slicers for the next year.

A.C. Sager

# Co. Board of Commission Minutes

Regular meeting of the Crawford County Board of Commissioners held in the Courthouse in the City of Grayling on the 9th day of August 1982.

Called to order by Chairperson Kitchen at 9:30 a.m.  
Roll Call: Bidvia, Harland, Kitchen, Mattis, Miller, Neilson, Nowak - all present.

Clerk Krey present.  
Invocation by Chaplain Nowak.

Visitors: Don Geiss, Elmer Fenton, George Rybicki, Joe White, Al Livance, Gil Ashton, Jim Vanderlaan, Joe Wakeley, Larry Hunter, Joyce Easterly, Bill Borchers.

Mr. Fenton, who is the Director of the Crawford County Historical Society Museum, spoke to the Board at this time. He advised the Board that he is resigning as the Director of that Society because of his wife's illness. He has contacted one other person who might be interested in this position. The Board will take this matter under advisement.

Approval of minutes:  
MOTION by Neilson, second by Bidvia, that the Board minutes of 7/22/82 be approved as printed. All (7) Ayes.

Correspondence read & acted upon: The resignation of Cletis Spears from the C.C. Zoning Commission & a recommendation to appoint Don Morgenstern in his place.

MOTION by Miller, second by Harland, to accept this recommendation of Mr. Spears & appoint Don Morgenstern to replace him on the Crawford Co. Zoning Commission, effective 9/15/82. Roll Call: All (7) Ayes. Carried.

Memo read that went to all departments regarding the hours of the County building & the lack of security in the building.

Discussion on the telephone long distance toll charges on our monthly billings.

Building & Grounds to investigate this area & bring back a recommendation to Board. The Crawford County Zoning Commission sent the Airport Zoning Ordinance for Board's approval. Their recommendation is for the Board to approve said Ordinance.

MOTION by Miller, second by Bidvia, to adopt this Airport Zoning Ordinance, which will become effective 60 days from adoption. Roll Call: All (7) Ayes. Carried.

5 minute recess.

Finance report at this time:

MOTION by Nowak, second by Harland, to pay Claims & Accounts, Mileage & Per Diem as approved & presented in the amount of \$35,706.32 & Airport accounts in the amount of \$1,620.40. Roll Call: All (7) Ayes. Carried.

Other correspondence read & placed on file.

Committee Reports:

Miller on Insurance; re: Financial report; update on law suit at Landfill; Board of Directors meeting that was held; workshop coming up in Cadillac on errors & omissions. Recess for lunch & convening at 1:15 p.m. with all (7) Commissioners present.

The Airport Manager Al Livance appeared, along with Gil Ashton and, Mr. Jim Vanderlaan from Van's Lumber Company. They presented a proposal to the Board regarding the possible construction of several tee-hangers at the Airport. Mr. Vanderlaan will bring back to the Board in September a cost proposal & agreement on this project for consideration.

Equalization Director Larry Hunter came before the Board regarding the County-owned vehicles. One of these cars is still under repair & cannot be kept running. Board directed Mr. Hunter to have it taken to another garage. Also asked Board approval for the paying of the City assessing being done at a rate of \$4.00 per day as compensation for use of their own vehicle's. Board so approved.

Committee Reports Continued:

Mattis on Bldg. & Grnds.; re: the watering of the grounds.

Mattis on Law Enforcement; re: Contract that was negotiated & that no provision was made for an increase for the part-time cook at the Jail. Committee would recommend that she received a twenty cent an hour increase. Several other area's reported on.

MOTION by Harland, second by Nowak, to accept recommendation of Committee & authorize an increase from \$3.68 an hour to \$3.88 per hour for the part-time cook at the Jail, to become effective at next pay period. Roll Call: All (7) Ayes.

Sheriff White also gave a report on the condition of several of his vehicles. There are two of these that need replacing at this time.

Finance Chairman asked the Treasurer for a report on any un-appropriated funds at this time. Finance Committee to meet on Friday the 13th to look into this area.

MOTION by Harland, second by Nowak, to authorize the Sheriff to make purchase's of vehicles up to a cost of \$7,000.00 contingent upon approval of the Board Chairman & Finance Chairman & this cost to be taken from the Contingency Fund. Roll Call: All (7) Ayes. Carried.

Union Negotiation by Harland; re: the past grievance issues have been settled with the AFSCME people, & the County is allowed per contract to hire part-time help.

Planning Commission report by Harland; re: a contract for the Land Use Inventory presented for Board approval.

MOTION by Harland, second by Mattis, that the County enter into this amended contract with Chenonquet Consulting for the Land Use Inventory & authorize the Chair to sign.

Much discussion & Board recessed for 10 minutes to go to vault room & inspect these maps that are to be used in this project.

Board back in session & question was called for a vote: Roll Call: Neilson-Nay: Other (6) Ayes. Carried.

Resolutions by Harland; Re: Oakland County's resolution opposing the State takeover of our court system. No action at this time.

D.P.W. report by Bidvia; re: Public Hearing on the Landfill. Also that Mr. Clingensmith had advised that he will be resigning from the DPW Board & the Bldg. Authority before the end of the year.

Council on Aging by Bidvia; re: Budget matters.

Finance report continued by Nowak; Several 1983 budget requests are in.

Request for funds;

MOTION by Nowak, second by Mattis, to allocate \$2,000.00 from the Contingency Fund to the Co-Op Extension Services budget; \$1,000.00 to line item telephone & \$1,000.00 to line item mileage. Roll Call: All (7) Ayes. Carried.

Appropriation request;

MOTION by Nowak, second by Mattis, to forward the 3rd quarter appropriation in the amount of \$3,720.00 to North Central Mi. Mental Health Services. All (7) Ayes. Carried.

Wage increase request;

MOTION by Nowak, second by Neilson, to approve the yearly salary for 1982 of \$11,500.00 for the Youth Service Bureau Director Doug Wilson to concur with the action of that Board of Directors. Roll Call: All (7) Ayes. Carried.

Donation request;

MOTION by Nowak, second by Neilson, to make a \$500.00 donation to the Little League Baseball for improvements at the field, & this cost be taken from the Parks & Recreation budget, line item park maintenance.

MOTION by Harland, 2nd by Miller, TO TABLE THIS MOTION. Roll Call: Nowak-Nay: All other (6) Ayes. Carried.

Finance reports of the denial for the second time of a mileage voucher from the Prosecutors Secretary.

NEMCOG report by Nowak; re: membership on that council.

Finance continued;

line item transfers;

MOTION by Nowak, second by Mattis, to transfer from General Fund appropriations to the following: Law Library Fund...\$2,000.00; Airport Fund...\$15,000.00; Child Care (Probate) Fund...\$20,000.00; Soldiers & Sailors relief fund...\$200.00; Roll Call: All (7) Ayes. Carried.

MOTION by Nowak, second by Harland, to transfer \$121,716.00 from Federal Revenue Sharing Fund to the General Fund, & said monies to be applied to the Sheriffs Department Budget (Public Safety). Roll Call: All (7) Ayes. Carried.

Board requested the Custodian to appear before them regarding the security of the building. Mrs. Easterly appeared along with the Union Steward Bill Borchers on this matter. Board advised that there are to be no un-authorized person's in this County building after hours.

Committee reports continued;

Roads & Bridges by Neilson; re: update on several roads under repair.

District Health by Neilson; re: personnel matters.

Soil Conservation by Neilson; re: annual meeting.

R.C. & D. by Neilson; re: the Prime Forestlands project.

Minutes of that meeting filed.

Neilson gave update on the fixed mileage matter.

Chair presented the Resolution & the application for the Prosecutor's Cooperative Reimbursement Program for Board approval.

MOTION by Miller, second by Nowak, to adopt the following Resolution & authorize the Chair to sign. Roll Call: All (7) Ayes. Carried.

## RESOLUTION

IT IS HEREBY RESOLVED BY THE BOARD OF COMMISSIONERS FOR THE COUNTY OF CRAWFORD, MICH.

### GANAS FOLLOWS:

That the County of Crawford will cooperate with the Michigan Department of Social Services in the Cooperative Reimbursement (IV-D) Program for the calendar year 1983 and hereby ratifies and affirms the Contract for said Program which is attached hereto and incorporated herein by reference, designating David R. Sabin, Program Supervisor, and does hereby authorize said Director to staff the personnel positions as delineated in said Contract.

Date: 8/9/82.

Jeanette J. Kitchen, Chairperson

Crawford County Board of Commissioners  
Clerk of the Board presented a request from the Secretary of State's Office for a shelf to be installed in their lavatory. Approval given. Some chairs at the Jail need repairing or traded. Sheriff to be advised to have chairs repaired.

Commissioner Mattis reported on a Compensation Commission being formed for this County. Matter to be taken up at next meeting.

As there is no further business to come before this Board, MOTION by Nowak, second by Neilson, to adjourn. All ayes.

Meeting adjourned at 4:55 p.m.

Jeanette J. Kitchen, Chairperson

Nancy Krey, Clerk

The bills of the several commissioners were allowed at this time:

Commissioners	PerDiem	Salary	Reimbursements
Bidvia	190.00	100.00	
Harland	220.00	100.00	17.60
Kitchen	170.00	150.00	
Mattis	110.00	100.00	
Mattis	110.00	100.00	19.36
Miller	360.00	300.00	79.20
		(June, July & Aug.)	
Neilson	200.00	100.00	63.36
Nowak	270.00	100.00	44.00

## RESOLUTION FOREWORD AIRPORT ZONING ORDINANCE 8-9-82

An Ordinance establishing airport zoning regulations restricting the height of structures and objects of natural growth and otherwise regulating the use of property in the vicinity of the Grayling Army Airfield/Grayling McNamara Airport; providing for the allowance of variances from such regulations; designating the Administrative Agency charged with the administration and enforcement of such regulations; utilizing the existing board of appeals, providing for enforcement; and imposing penalties for violation of this ordinance.

Pursuant to the authority conferred by the provisions of Act No. 23 of the Public Acts of the State of Michigan for the year 1950 (Extra Session) as amended, for the purpose of promoting the health, safety and general welfare of the inhabitants of the County of Crawford by preventing the establishing of airport hazards and thereby protecting the general public, users of the Grayling Army Airfield/Grayling McNamara Airport and occupants of land in its vicinity, and preventing the destruction and impairment of the utility of said airport and the public investment therein;

The Board of Commissioners of the County of Crawford under the provisions of Section 13 of Act No. 23 of the Public Acts of the State of Michigan for the year 1950 (Extra Session) as amended, does hereby ordain the following to be known as the Grayling Army Airfield/Grayling McNamara Airport Zoning Ordinance.

ARTICLE I Purpose and Limitations
1.01 Title
This ordinance is to be known and may be cited as the "Grayling Army Airfield/McNamara" Airport Zoning Ordinance
1.02 Objective
The principle objective of this ordinance is to provide additional safety and protection to the users of the airport and to the people who live and work in its vicinity.
1.03 Hazard Area
This ordinance establishes regulations on land within a 25,000 foot radius measured from the center of each end of the primary surface of each runway which is designated on the airport zoning map. This ordinance establishes a air bowl with a maximum height limitation of 150 feet above the established elevation of the airport within a 10,000 foot radius measured from the center of each end of the primary surface of each runway and has a maximum height limitation of 35 feet above ground at some locations in the approaches to the runways immediately adjacent to the airport. The height limitations of this ordinance become less severe as the distance from the airport is increased.
1.04 Hazards
Structures and trees which project above the height limitations are considered hazards to flying and endanger lives and property. The prescribed height limits are not arbitrarily set, but are based on past experience and studies made by the Michigan Aeronautics Commission and by the Federal Aviation

Administration. Height limits are based upon the established elevation of the airport or upon the elevation of the end of the nearest runway.

### 1.05 Existing Non-Conforming Objects

This ordinance does not affect existing structures, the height of which exceeded the limits imposed by this ordinance as of the effective date hereof. New construction, and construction increasing the height of existing structures, within 25,000 feet radius, must conform to the provisions on height limitations. This ordinance also restricts such use of land within the vicinity of the airport as will unreasonably interfere with radio communications systems and other navigational aids or devices used by the airport and aircraft, or would reduce visibility or would create confusing lights.

### 1.06 Creation of the Zoning Board

The Crawford County Board of Commissioners by resolution charged the Crawford County Zoning Board with the responsibility of adopting, administering and enforcing the Grayling Army Airfield/McNamara Airport Zoning Ordinance.

### 1.07 Heights Requiring Permits

Any structure over 35 feet above ground will require a permit from the Zoning Administrator.

### 1.08 Land - Use Types Requiring Permits

To promote the general purpose and objectives of this ordinance and its effective administration, all persons making use of land within the areas shown on sheet 5 of 5 of the Zoning maps are advised to consult section 3.07 of this ordinance as to undesirable land uses within designated Airport Protection Zones.

### 1.09 Provisions for Variance

This ordinance contains provisions for the variance of the height limits in event of practical difficulty or unnecessary hardship if the relief granted would not be contrary to the public interest and safety. It is the intent of the Crawford County Zoning Board, with the cooperation of the public, to have this ordinance administered in a reasonable and just manner in keeping with the responsibilities involved.

### 1.10 Where to Review Copies of this Ordinance

Information regarding height limits and copies of this ordinance are available at the offices of the Zoning Administrator. A copy of this ordinance is also on file with the County Clerk, Court House, Grayling, MI and the Michigan Aeronautics Commission, Capital City Airport, Lansing, Michigan 48906.

## ARTICLE II

### Definitions

#### 2.01 Words and Phrases

As used in this ordinance, the words, terms and phrases set forth in Sections 2.02 through 2.12 inclusive, shall have the meanings prescribed in such sections unless the context otherwise requires.

#### 2.02 Airport

"Airport" means the Grayling Army Airfield/Grayling McNamara Airport and all appurtenances used or acquired for airport buildings or other airport facilities, and all other appurtenant rights-of-way or other interests either heretofore or hereafter established.

#### 2.03 Airport Hazard

"Airport Hazard" means any structure or tree within the airport hazard area which exceeds the height limitations established by this ordinance, or any use of land or of appurtenances thereto within the airport hazard area which interferes with the safe use of the airport by aircraft.

#### 2.04 Airport Hazard Area

"Airport hazard area" means any area of land or water, or both, lying within the area depicted on the official airport zoning map attached.

#### 2.05 Airport Protection Zone

"Airport protection zone" means an area or zone wherein certain types of land use are not recommended due to noise, vibrations, fumes, dust, fuel particles and other effects that may be caused by the operation of aircraft landing at, or taking off from, or operating at or on the airport.

#### 2.06 Board

"Board" means the Crawford County Zoning Board of Appeals as designated and organized.

#### 2.07 Above Mean Sea Level

"Above mean sea level", when used in this ordinance or on the accompanying maps, denotes elevations above sea level as based upon and determined by reference to United States Coast and Geodetic Survey datum.

#### 2.08 Non-conforming Use

"Non-conforming use" means any structure, tree or use of land which does not conform to regulations prescribed in this ordinance or any amendment thereto as of the effective date of such regulations. Any building presently under construction or for which a building permit has been obtained is considered to be an existing structure.

#### 2.09 Person

"Person" means any individual, firm, partnership, corporation, company, association, joint stock association, municipal corporation or other body politic, and including any trustee, receiver, assignee or other similar representative thereof.

#### 2.10 Structure

"Structure" means any object constructed or installed by man, including but without limitation, buildings, towers, smokestacks, overhead transmission lines, radio and television aerials and antennae, but not including highways and their appurtenances.

#### 2.11 Tree

"Tree" means any object of natural growth.

#### 2.12 Zoning Administrator

"Zoning administrator" means the Crawford County Zoning Director, who is hereinafter designated to hear and decide applications for permits and with the administration and enforcement of the provisions of this Ordinance.

## ARTICLE III

### Zones

#### 3.01 Airport Hazard Area

There is hereby established an airport hazard area, which area or zone consists of all the lands within Crawford County lying beneath the approach, transitional, 150 feet horizontal, the 50 to 1 conical surfaces, said land being located within a 25,000 foot radius measured from the center of each end of the primary surface of each runway and the boundaries of which surfaces are shown on the Zoning Maps number 1 through 5, which maps are attached hereto and made a part thereof.

#### 3.02 Airport Zoning Maps

There are hereby imposed on the lands within airport hazard area the height limitations shown on the attached zoning maps, the same being based upon the established elevation of the airport, which elevations are shown on sheets 1 through 5 of the zoning maps.

#### 3.03 Legal Height Limitations

From and after the effective date of this ordinance, it shall be unlawful for any person to erect any structure or allow any tree to grow to a height in excess of the limitations prescribed by the terms of this ordinance and the attached maps, or to establish any use of lands contrary to the provisions of this ordinance.

#### 3.04 Unlawful Land Use

Notwithstanding any other provisions of this ordinance, it shall be unlawful to put any lands within the airport hazard area to any use which would:

a. Create electrical interference with radio communication between the airport and aircraft or create interference with navigational aids employed by aircraft;

b. Make it difficult for flyers to distinguish between airport lights and other lights or result in glare in the eyes of flyers using the airport;

c. Create haze or smoke in such amounts as to impair the visibility of flyers in the use of the airport; or

d. Would otherwise endanger the landing, taking off or maneuvering of aircraft.

#### 3.05 Non-Conforming Existing Uses

The provisions of Section 3.03 of this ordinance shall not apply to structures, trees or other non-conforming uses as the same may exist in the airport hazard area on the effective date hereof, unless subsequent thereto the Zoning Administrator determines the same to be abandoned, or 80% torn down, destroyed, deteriorated, or decayed. In such an event, the existing non-conforming structure must be removed by the owner at his expense.

#### 3.06 Alterations to Non-Conforming Land Use

The provisions of Section 3.03 of this ordinance shall apply to changes or alterations in existing structures, trees or other non-conforming uses after the date hereof, and any increase in the height thereof, with the same force and effect as though the same were now uses. Such alterations may be authorized upon receipt of a variance granted by the Zoning Board of Appeals.

#### 3.07 Airport Protection Zones

(a) Purpose  
The purpose of Airport Protection Zones as defined in Section 2.05, is to designate areas wherein certain types of land uses are not recommended due to undesirable effects that may be caused due to the operation of aircraft within such zones.

(b) Acceptable Land Use

The use of land within the areas shown on the Zoning Maps is controlled by the Land Use Guidance Chart.

## ARTICLE IV

### Ordinance Administration

#### 4.01 Approach Standards

The approach, transitional, conical and horizontal surfaces are denoted on sheets 1 through 5 of the zoning maps, and are described in Approach Standards of the Federal Aviation Administration. It is intended that in acting upon applications for permits, the Zoning Administrator will arrive at proper height limitations by interpolating between aerial contours shown on the zoning maps.

#### 4.02 Administrative Agency

The Crawford County Zoning Director is hereby designated the Zoning Administrator charged with the duty of administering and enforcing the provisions of this ordinance. The duties of the Zoning Administrator shall include those of issuing permits as hereinafter required, but the Administrator shall not have or exercise any of the powers or duties herein delegated to the Board. The Zoning Administrator may adopt such administrative procedures as may be necessary in connection with the administration and enforcement of this ordinance.

#### 4.03 Board of Appeals

The Crawford County Zoning Board of Appeals duly appointed in accordance with Public Act 183 of 1943, as amended shall exercise such powers as hereinafter conferred upon it in this ordinance.

(a) Official Name: The Board of Appeals shall be officially known as the Crawford County Zoning Board of Appeals.

(b) Compensation: The Board of Appeals shall receive such compensation and expense reimbursement for attendance at meetings and hearings, and may employ such necessary personnel, as may be provided for by resolution of the Board of Commissioners.

(c) Rules and Procedures: The Board of Appeals shall adopt rules concerning its organization and procedure, appeal forms, and other authorized matters, consistent with the provisions of this ordinance. Such rules shall include, but not be limited to, providing a reasonable period of time from which an appeal may be taken to it from an action of the Administrator. Meetings of the Board shall be held at the call of the Chairman and at such other times as said board may determine, and notice of all meetings shall be given by the Chairman to all members. The Chairman, or in his absence the Vice-Chairman, may administer oaths or affirmations and issue subpoenas to compel the attendance of witnesses. All hearings of the Board of Appeals shall be public, and it shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official acts, all of which shall be immediately filed in the offices of the Board and shall be a public record.

(d) Powers: The Board of Appeals, by the concurring vote of a majority of its members, shall have the power to issue certificates of variance under the provisions of this ordinance hereinafter contained, or to otherwise hear and decide appeals from any order, requirement, rule, regulation, decision or determination made by the Administrator under the power conferred upon it by this ordinance.

(e) Who May Appeal: Any person aggrieved, his agent or attorney, or the governing body of any political subdivision affected by any decision of the Administrator made in the administration of this ordinance, may appeal to the Board of Appeals.

(f) Appeal Procedure: All appeals from actions of the Administrator shall be taken within the time and in the manner provided by the rules of the Board of Appeals, by filing with the Administrator and with the Board, a notice of appeal specifying the grounds therefore. The Administrator shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken. An appeal shall stay all proceedings in furtherance of the action appealed from, unless the Administrator certifies to the Board, after the notice of appeal has been filed with it, that by reason of the facts stated in the certificate, a stay would,

## County Board of Commissioners

created, or existing use changed until there has first been obtained from the Zoning Administrator a proper permit in accordance with the provisions of this ordinance hereinafter contained. Inasmuch as the height limitations imposed in the airport hazard area steadily incline from the airport center, and at various rates according to location of approaches, the permit maps are only approximations for any given segment of the airport hazard area and therefore a height limitation may be somewhat greater than accorded by said maps, depending upon the particular parcel of land involved. The purpose of this second procedure is, therefore, to enable the Zoning Administrator to make exact mathematical determinations and enable users of land within the hazard area to avoid violations of this ordinance. Procedure Three:

If it appears, after consulting the zoning maps, that the proposed new use, or change in existing use, clearly will violate the provisions of this ordinance, then no such new or changed use shall be undertaken unless the person proposing to undertake same shall first apply to the Board of Appeals and obtain from said board a certificate of variance in accordance with the further procedures hereinafter provided.

#### 5.04 Exception for Emergency Utility Repairs

No permit shall be required for the emergency repair or replacement of nonconforming public utility structures, other than buildings, when the height of such structures will not be increased by such emergency repairs or replacement. It is intended that in the application of this provision any combination of circumstances calling for immediate action or remedy in the repair or replacement of such nonconforming public utility structures shall be deemed an emergency.

#### ARTICLE VI Judicial Action

##### 6.01 Appeals to Circuit Court

Any person, including the Michigan Aeronautics Commission on behalf of and in the name of the State, aggrieved by any decision of the Board of Appeals, may appeal to the Circuit Court of the County of Crawford as provided in Section 30 of Act No. 23, of the Public Acts of the State of Michigan for the year 1950 (Extra Session).

##### 6.02 Penalties

Any person who shall violate this ordinance or any regulations, orders or rulings promulgated or made pursuant to this ordinance, shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than \$100.00 and imprisonment for a term not to exceed 90 days, and each day a violation continues to exist after notice shall constitute a separate offense. Such notice may be given by the Zoning Administrator by registered or certified mail addressed to the person maintaining such violation at the last known address.

##### 6.03 Civil Action Available

The Board of Commissioners may, in addition to any criminal action taken, institute in the Circuit Court of Crawford County, an action to prevent, restrain, correct or abate any violation of this ordinance, or of airport zoning regulations adopted under this ordinance, or of any order or ruling made in connection with their administration or enforcement, and the court shall adjudge to the plaintiff such relief, by way of injunction (which may be mandatory) or otherwise, as may be proper under all facts and circumstances of the case, in order to effectuate fully the purpose of this ordinance and regulations adopted and orders and rulings made pursuant thereto.

#### ARTICLE VII Federal Regulation

##### 7.01 Federal Regulation (FAR Part 77)

This ordinance is not included to conflict with existing Federal approach protection regulations. The Federal Aviation Administration requires that they be given notice of any construction or alteration:

(a) that would be more than 200 feet above ground level at its site.

(b) that would be above an imaginary surface extending outward and upward at 100 to 1 slope within 20,000 feet of the nearest point of a runway more than 3200 feet in length.

(c) that would be above an imaginary surface extending outward and upward at 50:1 slope within 10,000 feet of the nearest point of a runway less than 3200 feet in length.

#### ARTICLE VIII Severability of Provisions

##### 8.01 Severability of Provisions

If any of the provisions of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this ordinance which can be given effect without the invalid provisions or applications of the ordinance, and to this end the provisions of this ordinance are declared to be severable.

#### ARTICLE IX Amendments

##### 9.01 Amendments

This ordinance, and the regulations prescribed herein, may be amended by a majority vote of all members of the Board of Commissioners after a public hearing is held in relation to the proposed amendment.

#### ARTICLE X Effective Date

10.01 Effective Date  
This ordinance was adopted on the 9th day of August, 1982, to become effective on the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.

Jeannette J. Kitchen  
Chairman, Board of Commissioners  
Nancy Krey, County Clerk

### TO THE RESIDENTS OF GRAYLING TOWNSHIP

Please be notified the Zoning Board of Appeals will hold a public hearing at its Regular Meeting on September 20, 1982, at 7:00 p.m. in the City Building, 103 James Street, Grayling, to hear Case No. 82-7, a request for an interpretation of Zoning Ordinance No. 81-2 to allow use of a travel trailer in the R-2 Zone.

-9-

### TO THE RESIDENTS OF GRAYLING TOWNSHIP

PLEASE BE NOTIFIED that there will be a public hearing at the City Hall, 103 James Street, Grayling, Michigan, at 8:00 p.m., Sept. 28, 1982, of the Township Planning Commission on amendments to the Zoning Ordinance in Grayling Township, Crawford County, Michigan.

The following changes will be considered:

CASE 82-2R The Planning Commission, applicant, has requested re-zoning of property located on North Down River Road (County Road) west of the City limits and south of the Airport and described as: all that part of the W½ of the NW¼ of Sec. 7, T26N, R3W, lying N½ of the railroad ROW and the NE¼ of the NE¼ of the NE¼ of Sec. 12, T26N, R4W, lying NE½ of the railroad ROW, from the present zoning classification of I (Industrial) to R-2 (General Residential) for the purpose of further residential development or such other use as provided in the zoning district.

CASE 82-3R The Zoning Administrator, applicant, has requested a provision be added to Sec. 26 - Non-conforming Lots, to provide for the reduction of side and rear minimum yard requirements, by the Zoning Administrator, by the percentage difference between the lot size requirements and the lot size of said non-conforming lot, but in no case shall a side yard requirement be less than 5 feet or a rear yard requirement be less than 25 feet.

Tentative text and zoning maps may be examined at the Township Office during regular business hours. Elizabeth H. Wieland  
Township Clerk

## Local Innkeeper Lauded in Magazine

Steve Sauter, owner of Marshall's Hospitality House Motel, was featured in the August issue of Lodging, the official publication of the American Hotel and Motel Association.

Sauter was praised for applying his engineering knowledge to the lodging industry. He switched from a communications engineering career 12 years ago to take up innkeeping and the choice seems to be a right move.

In 1973, Sauter designed and built a geo-thermal air conditioning system for his 35-room motel. Using ground water from a well, water is constantly pumped through the system as a cooling medium. Energy costs average 80 percent less than a conventional system.

He uses the water left over - after it flows through the system - for several things, decorative waterfalls, sprinklers, and so forth.

Sauter also designed an in-room movie system. Now with more than 330 films in his library, he claims the Hospitality House has the largest independent in-room movie system in the world. The movies are available to guests for a small fee and he credits the movie system for an increase in his room revenues of more than 100 percent in two years.

## Oxygen ignites, Smoker Dies

LESLIE—A Leslie man died Tuesday morning Aug. 24, 1982 when he apparently lighted a cigarette near his oxygen tanks.

Clyde E. Hatch, 50, died of extensive burns caused when the oxygen, prescribed for a respiratory ailment, ignited. An autopsy was being performed today in Sparrow Hospital in Lansing.

Hatch's widow, Shirley, said she heard her husband scream at about 7 a.m. By the time she reached him, "he was full of flames and the bedroom was full of flames," she said.

Family members put out the fire, but Hatch died before paramedics arrived.

The family lived in Grayling during 1957-61. Mr. Hatch was a volunteer fireman and worked for the city, he was a member of the Moose Lodge.

A lifelong Leslie resident, Hatch had suffered respiratory problems for the past 10 years, and he was on disability leave from Oldsmobile Plant One in Lansing.

Services will be 1 p.m. Friday in Patience-Montgomery-Luecht Funeral Home at Leslie.

## Editor's Mailbox

Editor:  
As a native daughter of Grayling, I returned to my home town a week ago with our Baker's Dozen Family and must express my delight and pleasure with the many changes and beautification of my beloved village since I left town 45 years ago, to go away to other schools.

Our plans were smoothed before we arrived by letters and advice from friends and former classmates. No one else can stand in "my old childhood friends", Bill Joseph's shoes. Marie's welcome in the lobby of the Chief Shopenagon's Hotel, was only matched by the lovely lady who helped with reservations and birthday cake for our family celebration. Ray and Agnes Trudgemon's warm, responsive accommodation for canoeists to take downriver, was so simplified, we were delighted and relieved of any apprehension we felt placing seven youngsters in two canoes.

Fantastic!! is the only word adequate to describe the Holiday Inn with such outstanding accommodations.

The entire town was so neat and pretty with well kept lawns and flower beds, also the wide streets and many sidewalks where I remembered foot paths.

New schools, hospital, church, library and all public buildings were viewed. The Historical

Society Museum was given first priority by reason of my genealogical research but I can't forget the hospitality and help received at the Chamber of Commerce office (City Hall).

Our 2½ day stay had followed a Hewitt family reunion in Bay City where most of my large family of Hewitt's reside, although at one point in past childhood years both my paternal and maternal grandparents lived in Grayling. Those years spanned a time when my grandfather Thomas Cassidy owned and operated the "Shopenagon's Inn".

Now, only two cousins, Joseph and Jerome Kessler, remain in Grayling, where at one time numerous Cassidy's, Hewitt's, and Kessler's formed a large family group.

May I take this opportunity to thank all who made our visit and sentimental journey back to our "Roots", so unique and memorable.

Remaining hopeful of return, a proud native daughter of my hometown, Monica (Hewitt) Fulvio G.H.S. Class of 1937

The dozen were Mr. Albert H. Fulvio (my hubby)

Dr. & Mrs. James Massi (Jerrilyn Fulvio) children: Maria Lynn, Joanne, Lenny and Gregory Mr. and Mrs. Albert A. Fulvio children: Anthony, Christopher, David.

Maribeth Akers and Scott Malone were united in marriage in a beautiful ceremony performed by Father William Rabior at St. Mary's Church on July 17.

Maribeth, who was given marriage by her father, wore a white floor length gown with a train. The gown was trimmed with lace and seed pearls. The headress of the veil was made of matching lace and pearls.

Lynn Marie Welsh, of Bridgeport, was her sister's Matron of Honor. The bridesmaid was Terri Starky of Flint. Both girls wore white floor length dresses which had a pattern of purple flowers matching their bouquets.

John Montgomery, of Flint, was the Best Man while Scott Benson of Grayling was the groomsmen.

Larry Akers, brother of the bride, read the Holy Scriptures during the ceremony. The organist was Ellen Thompson of Grayling. Mrs. Thompson, very beautifully sang a solo while the bride placed a bouquet of flowers on the feet of St. Mary's statue.

The groom's brother, Jeff Malone of Flint and Billy Nielson, a cousin of the bride, were the ushers.

Maribeth is the daughter of Mr. and Mrs. LeRoy Akers of Grayling. Scott is the son of Mrs. Sue Malone of Otisville, Michigan.

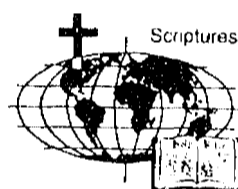

Following the reception at St. Mary's Family Center, the couple left for a trip to Mackinaw Island and the Upper Peninsula. They are now making their home in Flint, Michigan.

# NIP and TUCK

How I had dreaded cleaning the attic! But it was all worth it after I found the picture of Nip and Tuck when they were puppies. I sat down there and then in the cold, dusty room and recalled the day when Bob brought them home to Carol. How she laughed and loved them and flung her arms around both our necks in excited gratitude. How much fun we three had, watching the cunning antics of the canine infants.

#### COMMISSION ORDER

#### BOBCAT HARVEST REGULATIONS

The Natural Resources Commission at its meeting on June 12, 1982, under the authority of Secs. 1, 2, and 3, of Act 230, P.A. 1925, as amended, Secs. 38 and 39a, Chapter IV, and Sec. 1, Chapter V, Act 286, P.A. 1929, as amended, established rules for the taking of bobcats, during winter and spring.

##### 1. Seasons:

- Zone 1 - Hunting and trapping, October 25 of one year through February 28 of the following year.
- Zone 2 - Hunting only, January 1 through February.
- Zone 3 - Closed to hunting and trapping.

##### 2. Shooting Hours:

7:00 a.m. to 6:00 p.m. local time

##### 3. Areas:

- Zone 1 - The Upper Peninsula, except Bois Blanc Island & Drummond Island, which will be under Zone 2 regulations.
- Zone 2 - Cheboygan, Emmett, Presque Isle, Oscoda, Otsego, Montmorency, Alcona, and Alpena counties; also Bois Blanc Island & Drummond Island.

##### 4. Registration:

Any person killing a bobcat shall present the whole animal at a Department of Natural Resources district office or other designated field office within 72 hours of the kill. There, a confirming seal shall be attached and information obtained from the licensee as to date, place, and manner of kill and other pertinent information deemed appropriate. No taxidermist or fur buyer shall accept, possess, or process in any fashion, a bobcat or bobcat pelt without the confirming seal attached. Sealing of pelts will qualify the fur for foreign export under regulations enforced by the Endangered Species Scientific Authority. Registration hours will be during regular working hours or where offices are open for some other purpose after hours.

## Reports For Naval Duty

Navy Airman Recruit Barbara J. Golnick, daughter of William F. and Caroline M. Golnick of Rt. 5, Box 5061, and S. Airport Rd., respectively, Grayling, Mich., has reported for duty at the Naval Weapons Center, China Lake, Calif.

## Football

(Continued From Page 1)

6' and 165, senior George Morse, 5'10" and 155, senior Richard Grant, 6'1" and 160, juniors, Shannon Conklin, 6'1" and 160, and Scott Gabriel will be competing for the end positions.

Junior Rene Trudgeon, 5'11" and 172, and senior Joe Riddle, 5'10" and 160, are vying for the center spot.

At guard positions will be senior Brad Emerick, 6' and 160, or juniors Greg Helsel, 5'11" and 155, Ken Lademan, 5'8" and 150, or Brian Jacobs, 5'8" and 160.

At the tackle positions will be seniors Rob Priestap, 6' and 175, and Mike Petrie, 6'2" and 165, or juniors Kevin Wakeley, 5'11" and 220, Tom Brooks, 5'11" and 174, Wayne Schoonover, 6'1" and 160, Dan LaDuke, 6'1" and 180, or Tom Sorenson, 6' and 190.

Overall the Vikings are little smaller this year but have better size in the offensive line. Klinger said the offensive backfield and line

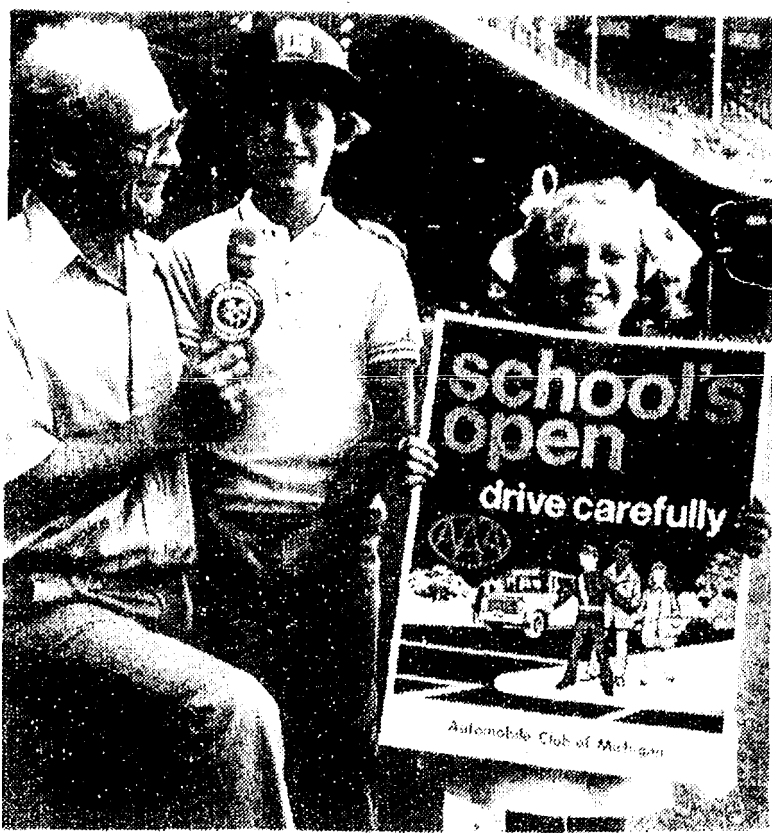

have good quickness. Nine lettermen return from last year.

Defensively, Klinger said the Vikings held up well in a scrimmage against Kalkaska and Gladwin.

Doing the punting this year for Grayling will be Ken Lademan, Greg Helsel, or Barcie Cross. Bob Keene will be kicking the extra points and Keene or Helsel will be kicking off.

The Vikings have to face Cheboygan in their first home game Sept. 17. Cheboygan has the longest undefeated streak in the state and have 51 players on their squad. Sault Ste. Marie and Onaway have joined the Michigan Huron Shores Conference this year. Grayling will play Onaway Nov. 5 there but does not play Sault Ste. Marie this year.

Also for the first time in the MHSC, a class B and class C championship will be awarded. Grayling will be going after the class C championship. An overall champion will also be recognized.

**DETROIT TIGERS BROADCASTER** Ernie Harwell urges motorists to heed the "School's Open-Drive Carefully" reminder of the Automobile Club of Michigan. Harwell interviews Jonathan Sieplinga and Christina Cheske, who will be among more than 862,000 elementary school children attending classes in Michigan this year. Traffic safety posters - along with safety patrolers' badges, rain-gear, belts and other supplies - are being distributed to 4,200 Michigan schools. Harwell will be made an honorary Safety Patrol captain in special "School's Open" ceremonies to the Detroit-Oakland game Sept. 4 at Tiger Stadium. He urges parents and motorists to assume a direct responsibility for the safety of Michigan school children.

## Hospital

(Continued From Page 1)

in case one of the regular generators had developed a problem. Executive Vice-President Duane Nimke congratulated the entire staff of Mercy Hospital for their calm and professional handling of the incident, saying "Times like these illustrate our preparedness in the event we should sometime be faced with a serious emergency."

## Flu Clinic

## KCC

(Continued From Page 1)

fiscal budget of the institutions in times of state and federal cuts. Employees should check to see if their employers have a matching gifts program. Information is usually available through a company's personnel department.

On the other side of the matching gift program are those who give to provide a base for the corporate match. Most recently the Grayling Women's Golf Auxiliary contributed funds which will be added to the base for corporate matching gifts.

Any other local business/Commercial enterprise, fraternal organizations, local associations, or other groups interested in information, or who wish to donate to the matching gift program may contact Steven B. Perry, Office of the President, Kirtland Community College, Route 4 Box 59A, Roscommon, MI 48653, 517-275-5121. Contributions are tax deductible and should be made payable to Kirtland Community College.

## RSVP Reports

by Sherry Haag  
Director

Welcome to news of the Retired Senior Volunteer Program. In May of this year, the National Organization of Volunteers in Prevention (this organization works mainly with youth offenders) announced a \$30,000 grant from the Public Welfare Foundation of Washington, D.C. to disseminate the concept of the use of retirees as volunteer administrators and managers in juvenile and criminal justice programs. Now there are approximately 1/2 million volunteers involved in 5,000 courts, jails, prisons, juvenile institutions, probation, parole prevention and diversion programs throughout the country.

Members of RSVP across the nation are participating in Juvenile & Criminal Justice Programs. The use of retirees brings desperately needed resources to many judges enable them to better serve their citizens by reducing the crime rate. It also restores meaning, purpose and value to the lives of the many retirees. Dignity is based upon a purpose in life and a meaning for being. Without dignity, there is no happiness for the retiree or anyone else. Thus the RSVP helps meet the challenge of crime in and to a free society.

Volunteers in Crawford County keep plenty busy. Crawford County Day Care is opening an Infant Care Center the first week in September. Volunteers are needed to rock, cuddle and change children 6 months to 2 1/2 years. Cystic Fibrosis is having their annual fund raising activity starting Sept. 19. Volunteers are needed to collect from their home areas. Matson's Adult Care Home is looking for volunteers to play pinocle with residents once a month or once a week or just visit with residents. If you'd be interested in any of these assignments, please give us a call at 348-4341 or 348-8322, Monday through Friday, 8 a.m. to 5 p.m.

### CARD OF THANKS

We wish to thank our families for the party they gave us, and for the many new and old friends who attended the open house and for the cards from those who couldn't attend.

It is wonderful to have so many friends.

Olive and Lee Kellogg

## Your Week Ahead Horoscope

Forecast Period: 9/12-9/18/82

- ARIES**  
Mar. 21-Apr. 19

Election of Officers & change of By-laws will be presented to General Membership at this time.

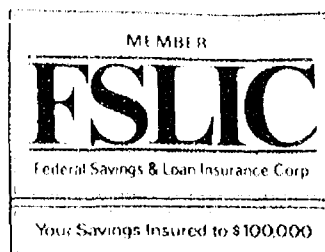

# MONEY MARKET NEWS FLASH!

Finally, an account that can compete effectively with Money Market Mutual Funds. We call it the United Federal **CASH FUND** . . . and it's available now at all United Federal Savings offices state wide. Here's how it works: You can open a United Federal **CASH FUND** with minimum deposit of \$20,000 and add to it any time in amounts of \$500 or more. You will earn a rate of return equal to the 91-Day Treasury Bill rate which changes every Tuesday. Interest can be credited to your account or transferred to your United Federal NOW Account or passbook account. Your account will automatically renew itself every seven days until such time as we are notified by you. You are never more than seven days from your money in most cases less. And of course your funds are insured to \$100,000 by the Federal Savings and Loan Insurance Corporation.

If you want high interest with liquidity, and greater security than offered by Wall Street Money Market Funds you have it with the United Federal **CASH FUND**.

- \$20,000 INITIAL INVESTMENT
- RATE OF RETURN EQUAL TO 91 DAY TREASURY BILL
- SEVEN DAY MATURITY
- \$100,000 INSURANCE
- ADDITIONS PERMITTED AT ANY TIME
- 1/4% HIGHER EARNINGS THAN BANKS

## INTRODUCING THE UNITED FEDERAL CASH FUND
